FOREWORD

It is with profound joy and humble reverence to the Holy Trio—Sri Ramakrishna, Maa Sarada Devi, and Swami Vivekananda—that we present the Annual Report on Integrated Rural Development and welfare & spiritual activities for the year 2025–26.

This report reflects our unwavering commitment to holistic rural development—an approach that integrates skill training, education, health care, spiritual enrichment, and cultural preservation. Through our rural development wing, Divyayan, we have empowered thousands of youth and farmers with vocational skills and agricultural training, enabling them to lead self-reliant lives and contribute meaningfully to their communities. The training of 2011 rural youth and farmers this year stands as a testament to this enduring mission. Significant infrastructural advancements—including the installation of a 93 KWP solar plant, a honey processing unit, a millet processing facility, and a state-of-the-art honey testing laboratory—have further strengthened our capacity to serve tribal youth and enhance local livelihoods.

Education remains the cornerstone of our development strategy. Through Akhandananda Shiksha and Sanskar Kendras, Gadadhar Abhyudaya Prakaalpa(GAP), Vivekananda Abhyudaya Prakaalpa(VAP), Maa Sarada Gurukul, and the faculty centre of Ramakrishna Mission Vivekananda Educational Research Institute (RKMVERI), we have nurtured learners from KG to Ph.D., reaching over 1689 students across 47 centres and 544 students through higher education programs. Our library, visited by over 34,000 individuals, continues to be a beacon of knowledge and inspiration.

The development of organic villages under Angara Block, the outreach of Divyayan Krishi Vigyan Kendra and our collaboration with academic institutions for Rural Agricultural Work Experience(RAWE) programs reflect our integrated approach to farming and education. In health care, our dispensary and mobile units served over 16,000 patients, reaffirming our commitment to accessible and compassionate medical services.

We also remain devoted to preserving the rich cultural heritage of rural communities, recognizing it as a vital source of strength and identity.

This report is not merely a record of activities—it is a reflection of the collective spirit, dedication, and love of our monks, staff, volunteers, devotees, and supporters. We offer our heartfelt gratitude to all who have walked with us on this path of service.

As we look - a step towards 'Vishwa Bharat', we renew our resolve to build sustainable, inclusive, and resilient rural communities—guided always by the ideals of the Holy Trio and the timeless message of **Shivajnane Jiva Seva**.

Swami Bhaveshananda

(Swami Bhaveshananda)

Secretary

A. About Us

Ramakrishna Math & Ramakrishna Mission

Belur Math

At present the Ramakrishna Order has 296 centres including 69 outside India (as on 31st March, 2026). There are 60 sub-centres (30 within India, 30 outside India) under different centres.

These branches are engaged in diverse activities in the field of medical, educational, cultural, social, spiritual, rural and tribal upliftment, relief and rehabilitation (Disaster Management).

Ramakrishna Mission Ashrama, Morabadi, Ranchi

"A community that has accumulated power can lead the society in any direction it likes. The only means of accumulating this power is purity, unselfishness and acquisition of learning. The more we accumulate these in us, the more shall we be able to influence the society. To achieve this end, it is necessary to create a highly powerful community, the vital force of which will gradually enter into the bone and marrow of India and will bring her back to life from her moribund condition."

The Ranchi, Morabadi Ashrama

The vision of Swami Vivekananda took shape with the establishment of an Ashrama at Ranchi in 1927 by Srimat Swami Vishuddhananda, the direct disciple of Holy Mother Sarada Devi, and the 8th President of Ramakrishna Order. This Ashrama campus has been sanctified by the visit of Swami Subodhanandaji Maharaj, a direct disciple of Sri Ramakrishna dev in the year 1928.

Divyayan Krishi Vigyan Kendra, Ranchi

In early sixties, when Ranchi and its adjoining districts were in the grip of severe drought, Ramakrishna Mission Ashrama, Morabadi, organised a relief work for the distressed poor. During that period it was strongly realized that unless the poor and illiterate farmers are trained in need based agriculture and allied technologies supported by group action, they can not be made self-reliant and also would never be able to counter similar adverse condition in future. In order to fulfill the above requirements 'Divyayan' (meaning Divine Way), a novel integrated rural development model, intended to worship God in man, was conceived and finally launched by this centre in 1969 as a residential training centre for tribal and rural youth in agriculture and related activities. Then in the year 1977, Divyayan was recognized by the Indian Council of Agricultural Research (ICAR) as a Krishi Vigyan Kendra (KVK) in 1977.

Divyayan KVK Ranchi has honored Three times as Best KVK become National level (1996-97, 2017, 2020) and once at Zonal Level (2016). KVK has been accredited as 'A' KVK by NITI Aayog. KVK has also received the ISO:9000:2015- Certificate.

B. Objectives

Motto: The motto of the Ashrama, as formulated by Swami Vivekananda, is "Atmano Mokshartham Jagad Hitaya Cha", "For one's own salvation and for the welfare of the world".

The Ashrama has adopted six objectives for integrated development of the rural tribal people as follows

◆ Economic ◆ Social ◆ Health Related ◆ Educational ◆ Cultural ◆ Spiritual

- (a) The economic objective is achieved through training imparted to the grass root level young farmers and school drop-outs, especially belonging to the backward section of rural community, in modern technology as applicable to the field of agriculture and allied areas for increasing per unit land area per family output and thus helping the people become self reliant.
- (b) The social objective is carried out by imbibing the spirit of community living, developing sense of co-operation, acquiring youth leadership qualities, instilling group action and self-confidence with a view to promote national integration at all levels.
- (c) The health care objective is accomplished by organising weekly medical camps, special medical camps, health awareness camps, total sanitation and drinking water awareness, creating and educating the people for participating in vaccination programmes, providing health care to the last person of the rural area.
- (d) The educational objective is achieved by guiding the local youths for establishing primary schools, enrolling the drop outs in National Institute of Open Schooling and through Diploma, Graduate and Post graduate teaching programmes of Ramakrishna Mission Vivekananda Educational and Research Institute (RKMVERI).
- (e) The cultural objective is achieved by promoting and encouraging local culture based on the Indian ancient culture and traditions.
- (f) The spiritual objective is achieved by spreading the doctrine of oneness of all souls, toleration and acceptance of all faiths/religions and fostering universal brotherhood, non-sectarian approach and spiritual values in daily life to achieve the highest purpose of life.

C. The Infrastructure

Divyayan KVK, already having excellent basic facilities for farmers & rural youth to update their knowledge & skill through residential training programmes, was further developed (i) during the year 2009-2010 with construction of a new Conference Hall and a Mist Chamber for hardening plants produced by the Tissue Culture Laboratory; (ii) during the year 2013-14, with construction of a 100-bed Farmers' Hostel under the name of Swami Vivekananda Kisan Chhatravas; (iii) during 2015-16 with the renovation of Permanent Exhibition on Swami Vivekananda's Life and Message (iv) during 2016-17 with the establishment of 10 KV solar grid with solar panel & solar water heater and creating water harvesting structures, (v) during 2017-18 by starting construction of farm boundary and road within the campus, development of brick soled paddock and during 2018-19, establishing 25 KV solar grid with solar panel, 3 storey Poultry Demonstration unit and Twin Bio Gas Plants, completing excavation of 3 new ponds, renovation of all old ponds, construction of 2 new wells and Farm boundary road, multi layer azolla production unit (2022-23), Rishi Parasar Liquid manure production unit (2023-24)

During the financial year 2024-25, Divyayan Krishi Vigyan Kendra underwent a significant infrastructural transformation aimed at enhancing rural capacity building and agricultural entrepreneurship. The highlight of this transformation was the construction of a state-of-the-art, four-storeyed Birsa Munda Bhawan—a dedicated Tribal Youth Training Centre that houses demonstration units and class rooms. Roof water harvesting structure of 3 lakhs litres.

Key Infrastructural Developments

1. Birsa Munda Bhawan: A Hub for Innovation and Skill Building Constructed as a modern four-storeyed complex, Birsa Munda Bhawan serves as a dynamic training and demonstration centre for tribal youths. It provides hands-on exposure to modern agro-processing technologies and value addition techniques, fostering both employment and entrepreneurship.
2. Honey testing and Processing Unit (NBHM Project): A fully-equipped Lab, Neclous stock development and honey processing plant with a processing capacity of 200 kg per 8 hours has been established under the National Beekeeping and Honey Mission (NBHM). This unit enables efficient honey testing, extraction, purification, Branding and packaging, aimed at improving the livelihood of local beekeepers and honey producers. Atomic Absorption Spectrophotometer, HPLC (High-Performance Liquid Chromatography) System, Double Beam UV-VIS Spectrophotometer, Microcontroller-Based pH System, Total Dissolved Solids (TDS) Meter were established under this project
3. Food Processing Incubation Center Unit:- ICAR-Indian Institute of Millets Research (IIMR) project, this facility houses cutting-edge machinery and tools, including:
 - o Huller Machine o Wet Grinder & Dry Grinder o Sugar Grinder o Farsan Machine
 - o Baking Oven o Sealing and Packaging Machines

This Center empowers rural youth, SHGs, FPOS to engage in food product development, value addition, and sustainable agribusiness initiatives.

4. On-Grid Solar Energy System (CSR Initiative by CCL) As part of the Corporate Social Responsibility (CSR) initiative by Central Coalfields Limited (CCL), a 93.96 KWP on-grid solar system has been installed. This not only reduces the centre's carbon footprint but also ensures uninterrupted power supply to all technical units.

The Basic Infrastructure Update (Alphabetically)

- ➔ Audio-Visual Unit
- ➔ Class Rooms Block with smart settings
- ➔ Computer Centre
- ➔ Demonstration Farm in Divyayan KVK Campus and at Getalsud and Maheshpur in Angara Block
- ➔ Dairy Farming Unit
- ➔ Administrative Block
- ➔ Divyayan Library

D. Economic and Social Development Activities

Capacity Building:-

- ⇒ Training on Integrated Farming for Rural Youth/Practicing Farmers
- ⇒ Skill Oriented Special Training Programme for Rural Youth
- ⇒ National Institute of Open Schooling (NIOS) Linked Multi-skilled Vocational Training with Value Education Programme
- ⇒ Sponsored Training
- ⇒ Off-Campus Training for practicing farmers
- ⇒ RAWE, ELP programmes for University Students

Adaptive Research:-

- ⇒ OFT (On Farm Trial)
- ⇒ FLD (Front Line Demonstration)
- ⇒ CFLD (Cluster Front Line Demonstration)

Extension and Follow-up Programmes:-

The Modus Operandi:

- ⇒ Organising Vivekananda Seva Sanghas (Village Level Organisation)
- ⇒ Publication of Quarterly Magazine “Prabuddha Gram”
- ⇒ Visit of Mobile Audio-Visual Unit in Villages
- ⇒ Annual Farmers’ Fair
- ⇒ Kisan Gosthi, Adaptive Research (CFLD, FLD, OFT)
- ⇒ Technologies Transferred for Doubling Farmers’ Income

Projects:-

- ⇒ ICAR-ARYA (Attracting & Retaining Youth in Agriculture)
- ⇒ Promotion of Mustard Production in Rice Fallow Area
- ⇒ IIAB Sponsored Project for Promotion of local resource based technologies for upliftment of social economic condition of tribal farmers
- ⇒ IIMR Sponsored project on Development of Millets Incubation Center at KVK.
- ⇒ NBB Sponsored Project

Programmes:-

- ⇒ Women Empowerment
- ⇒ Production of Seed Material & Related Programmes
- ⇒ Project for out scaling of Natural Farming
- ⇒ Workshops, Seminars and other Awareness Programmes

D.1 Training

During 2025–26, the Ashrama continued its dedicated efforts to combat unemployment in rural tribal villages by implementing its distinctive model of residential training programmes. These initiatives are designed to instill confidence in rural youths and empower them to establish their own enterprises. The training framework of Divyayan Krishi Vigyan Kendra (KVK) encompasses three categories: On-campus programmes, Off-campus specialized courses, and NIOS-linked multi-skill training curriculum, all of which integrate value education as their foundation. Significantly, these programmes are primarily targeted towards tribal youths and are offered with free board and lodging facilities, supported in part by the Ministry of Tribal Affairs (MoTA), Government of India, the Indian Council of Agricultural Research (ICAR) through KVK, and other allied agencies. This holistic approach not only addresses the immediate challenges of unemployment but also fosters self-reliance and sustainable livelihood opportunities among the rural tribal communities.

Training Programmes for Rural Youth in Agriculture and Allied Trade (On-campus)

Objective of this training programme is to make the trainee self reliant by launching his own enterprise. Hence every trainee needs to undergo extensive practical training. Every effort is made to change the mind set of the trainees and to make them sincere, disciplined and co-operative. Emphasis is also given on developing managerial skills and they are being exposed to real life circumstances to empower them to face any eventuality that may arise during the running of their own enterprises. Training is given in different trades viz. Bee-keeper, Lac Producer, Mali Training/Supervisor, Mushroom Producer, Soil Health Management, Fisheries, Organic Grower, Poultry, Dairy, Pump Repairing, Electrician, Carpentry and Welding. These courses are of 1 month to 6 months duration depending upon the trade. During the reporting period (2025-26), **2184** trainees were provided training in different trades including short duration courses.

Training Programme on Integrated Farming System for Practicing Farmers and Farm Women (Off-campus)

Training programmes on “Integrated Farming” of 45-days duration are conducted in villages for practicing farmers and farm women as they are unable to attend the long duration residential

training programme due to lack of time and their engagement in farming. These training programmes are conducted on different thematic areas like Bee Keeping, lac production, mushroom production etc. During the reporting period (2024-25), **489** trainees were trained in **12** batches.

Sponsored Training Programme

Sponsored training programmes are conducted for different participants sponsored by different govt. and non-govt. organisations. These custom made courses are of 3-days, 5 days, 10days and 15 days duration.

Skill Training Programme Under KVK

These training programmes are mainly for the practicing farmers and rural youth which are conducted under skill development programme of Krishi Vigyan Kendra.

Details of the different training programmes conducted during the year 2025-26 are as given below:

Subject	Duration	No. of Batches	No of Trainees
Training Programme on Integrated Farming			
Integrated Farming	45 Days	6	134
Food Processing	45 Days	3	49
Lac based Integrated Farming	45 Days	6	79
Training Programmes on Agriculture and Allied Trade (On-campus)			
Bee-Keeper	45 Days	6	162
Dairy farmer	03 months	4	40

D.2 Extension and Follow Up

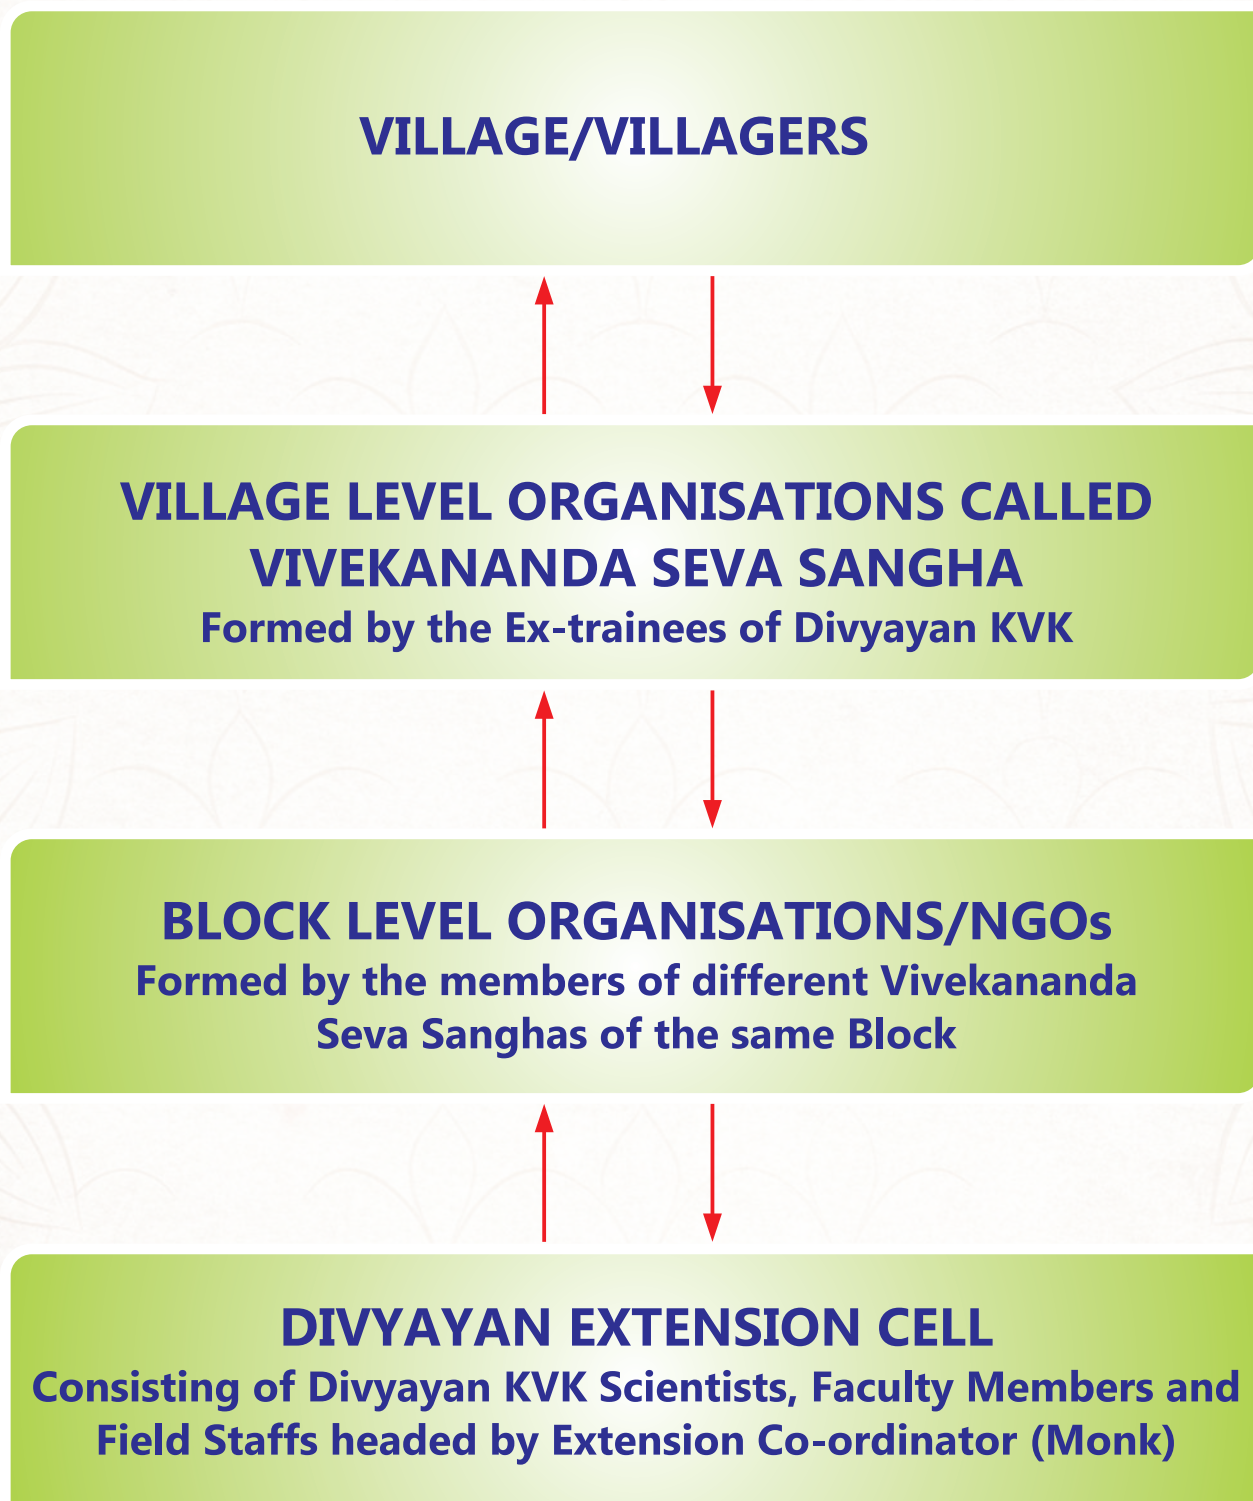

Go from village to village, do good to the humanity & the world at large.

- Swami Vivekananda

Let New India arise...let her arise-out of the peasant's cottage, grasping the plough; out of the huts of the fisherman, the cobbler, and the sweeper. Let her emanate from the factory, from marts, and from the markets and from groves and forests, from hills and mountains.

D.2.a Modus Operandi of Extension and Follow-up programmes

D.2.b Organising 127 V.S.Ss (Vivekananda Seva Sangha), Quarterly Magazine and Audio Visual Programme

Vivekananda Seva Sangha: Once Swami Vivekananda had said “No great work can be done without an organisation”. Acting on this message, our ex-trainees are encouraged to form village level organizations named Vivekananda Seva Sangha (VSS). Extension and village activities are executed through these VSSs. They work collectively for the development of their own village, harnessing the internal potentialities as well as available resources not depending on help from outside. Till date **125** nos. of VSSs have been formed which are successfully functioning in their respective localities.

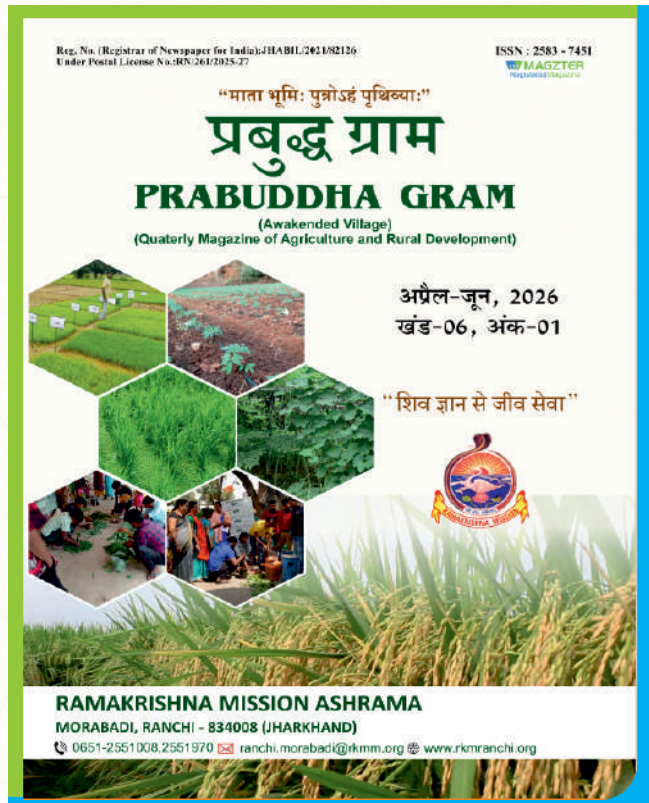

Publication of Quarterly Magazine Prabuddha Gram (Awakened Village): This Ashrama has been serving the rural people of Jharkhand for more than 50 years. Over the years we have developed a lot of technologies, a number of successful farmers and undertaken many research works through our Krishi Vigyan Kendra and RKMVERI for the development of the rural poor.

Swami Vivekananda said “Hence our object is to see that everyone down to chandal be helped to attain the right to. Dharma, Artha, Kama and Moksha.”

Keeping the above aim in mind, we have been publishing a quarterly bilingual (Hindi and English) rural development magazine “PRABUDDHA GRAM (Awakened Village)” to disseminate these technologies, knowledge from experience and research findings among different stakeholders of rural development in India especially in Jharkhand, The first issue (April - June 2021) was published in the month of July 2021. This has got ISSN number as well as recognized by magzter has been registered to be Reg. No. (Registrar of Newspaper for India):JHABIL/2021/82126 during the reporting period.

This quarterly magazine replaced the monthly newsletter Divyayan Samachar.

Visit of Mobile Audio-Visual Unit in Villages : A vehicle, fully equipped with audio-visual devices, moves extensively in the villages as per scheduled programme. This unit is equipped with T.V., DVD/CD players, multimedia projector, CDs and DVDs, to conduct shows on various aspects of rural development, agricultural production and spirituality. This year in total **97** shows were held. involving **10435** nos. of beneficiaries

Quarterly News Letter - Prabuddha Gram

Audio-Visual Programme in Rural Areas

D.2.c Sri Ramakrishna Annual Regional and Central Kisan Melas

Like every year this year the Ashrama has conducted 4 Regional Kisan Melas based on the theme 'Income Generation Through Natural Resource Management'. The Regional Kisan Melas were organised in the villages Kargenayatoli under Mandar Block, Gesway under Burmu Block, Pola under Lapung Block and Mungadih under Angara Block. All the Melas were keenly participated by the farmers of the respective locality. The objectives of organizing these Kisan Melas were to demonstrate latest agricultural technologies to the farmers as well as to the extension workers for increasing production and productivity of the farming community. As such, taking advantage of these Farmers' fairs dissemination of technologies through exhibition and farmer scientist interactions were carried out. All the fairs were able to attract a good number of participation of farmers from different villages of the same Block. On an average every fair received around **400** nos. of exhibits on different agronomical & horticultural crops, animals, birds, handy craft, cottage industry etc. Details of the mela is given as under :

Place	Date	No. of Exhibits	No. of Prizes given away	No. of Farmers Participated
Kargenayatoli, Mandar	07 Jan 2026	250	81	3000
Gesway, Burmu	21 Jan 2026	444	82	1150
Pola, Lapung	28 Jan 2026	156	67	1750
Mungadih, Angara	30 Jan 2026	747		

Smt. Shilpi Neha Tirkey, Hon'ble Minister for Agriculture, Jharkhand graced the Kisan Mela with her presence at Kargenayatoli, Mandar

Hon'ble Vice Chanellor, BAU, Ranchi graced the Kisan Mela at Gesway, Burmu

Regional Kisan Mela at Pola, Lapung

Hon'ble MLA, Silli, Sri Amit Mahto graced the Kisan Mela at Mungadih, Angara

47th Sri Ramakrishna Central Kisan Mela 2025-26

For promoting natural farming and emerging new technologies into the farming system, a two-day Central Kisan Mela (26th February to 27th February) was organized at Getalsud Farm of Angara Block in Ranchi District by the joint collaboration of Divyayan Krishi Vigyan Kendra (DKVK) Ramakrishna Mission Aashram, RKMVERI, and Vivekananda Seva Sangha of Angara Block. The theme of the Mela was "*Income Generation Through Natural Resource Management*". The technology demonstrated in Mela was mainly focused on Natural farming, fruits and vegetable cultivation based on natural farming, food processing of indigenous crop, indigenous cow and goat farming etc. The Mela was mainly sponsored by **ICAR- Indian Institute of Rapeseed Mustard Research, Bharatpur, Rajasthan**, ICAR- Central Citrus Research Institute, Nagpur, National Bank for agriculture and Rural Development (**NABARD**) and Divyayan Krishi Vigyan Kendra (SCSP), Ranchi

Objectives of the farmers' fair:

1. To bring awareness among the farmer about the importance of the natural farming system and millet crops.
2. To introduce farmers with new technologies of integrated agriculture.
3. To popularize natural farming and boost confidence among the farmer in adopting natural farming for the sake of environment and health without losing productivity.
4. To demonstrate low cost implements to reduce drudgery and increase agricultural productivity.
5. To provide an opportunity for exchange of ideas/ technologies/ innovation among farmers and various stake holders.
6. To send a message among the rural mass that integrated watershed approach is the best way to bring development in the rural area.
7. To inform the farmers about the role of banks in agriculture.

To meet the above objectives different types of extension aids like stalls, models, live demonstrations, audio-visual shows, charts and posters were developed and Kisan Gosthis organized during Mela. All the events and shows were conducted in local/Hindi language. Scientists from the different Agriculture

Universities and Research Stations were invited in Mela for the direct interaction with the farmers. Though the Mela was started to the farmers since 8:00 am on 26th February 2026 but it was formally inaugurated at 1:00 pm by the Chief guest Smt. Dipika Pandey Singh, Honble Minister, Rural Development, Jharkhand and Shri Gopal Ji Tiwari, Joint Secretary, Department of Agriculture, Animal Husbandry, and Cooperation, Government of Jharkhand.

Welcome of Guests and Inauguration of Mela by Mrs. Dipika Pandey Singh Hon'ble Minister Rural Development, Govt of Jharkhand and NABARD graced the State Lived Kisan Mela at KVK instruction farm, Getalsud, Angara

Crop and Animal Exhibition: To encourage and to increase the participation of the farmers' and for horizontal dissemination of technology the farmers were informed in prior to bring their own produce as exhibits and will awarded for the best produce. 473 crops brought by farmers like vegetables, fruits, handicrafts, lac, and mushroom were of good quality. 96 farmers were given prizes for their best exhibits.

Stalls and Live models: 50 stalls from various research institutes, private seed and fertilizer companies, agricultural implements companies etc. were there besides the stalls of Divyayan Kisi Vigyan Kendra, Ramkrishna Mission Vivekananda University and other departments of Ashrama. Krishi vigyan Kendra put their stall on "Natural resource management" which was based on sub-theme Prakritik Sansadhan Prabandhan dwara aay srijan. Different technology was demonstrated under this theme like land levelling, step farming, Multi-cropping, organic multilayer orchard, Integrated pond system, nursery raising, Enriched composting, water management, lac cultivation, bee keeping, chemical free farming of paddy, fodder maize, drip irrigation, azolla cultivation.

Income generation through value addition of millet crops of Jharkhand by using traditional method of food processing. and Food pyramid was also demonstrated to make farmer aware of the local resources for different nutrient, balance diet and its health benefits.

Kisan Goshti: Kisan goshti were organized on each day of Mela and discussion were held on different subjects of farmer's interest like lac cultivation, crop production, vegetable farming, natural/organic cultivation, farm implements and dairy. The problems of different areas of agriculture and allied field raised by the farmers were directly addressed by the concern scientists. Scientist from various universities and research institutes and farmers participated in the Kisan Goshti.

Concluding session: On the 2nd day of the Mela, a concluding session was held in which the Smt. Deepmala Ghosh, CGM, NABARD graced the event as chief guest and. Swami Bhaveshananda, Secretary Ram Krishna Mishion Ashram, were embellishing the Mela by giving their presence and jointly conclude the session.

Chief Guest appreciated the technology demonstrated by Divyayan KVK and other organisations. Secretary of Ramakrishna Mission Swami Bhaveshananda appealed to farmers for adopting natural

farming practices. Giving information about the organic farming Swami ji said that through natural farming farmers can improve their wealth as well as health.

Guests and gathering of farmers

Awards: In concluding session various awards are given in different categories which are given below:
Category 1: Best Farmer award : Jagdish Bhogta, Badki Gorang, Angara and Shri Shividhan Bhogta, Meyatu (Khaksitoli), Angara
Category 2: Best Vivekananda Seva Sangh : Vivekananda Seva Sangh, Barwatoli
Category 3: Best stall (Govt.): IFFCO, Ranchi
Category 4: Best stall (Private) : Priya Agrico, Ranchi

Highlights of Kisan Mela

Approx 11000 visitors from rural areas of Ranchi district..
473 exhibits from all sectors of Agriculture, livestock and handicrafts.
Countless interactions with farmers, scientist, bank and private companies related to agriculture.
Live Demonstrations on Agricultural based Natural Resource Management.
20 Speakers from different forums and more than 500 farmers participated in Kisan Gosthi
90 nos. of farmers awarded
Sale and exhibition of seed and planting materials.
Sale and exhibition of organic products and value added products by farmers
Honour award to progressive farmer and organic farmer.

Visit of the exhibition stalls by the Hon'ble guests

Awards and Felicitation to Farmers

Guests Inspecting and interaction with exhibitors during Kisan Mela

Farmer- Scientist interaction During Kisan Mela

Cultural Performance by Local Villagers during Kisan Mela

D.2.d PM-KISAN and other PM programmes

Divyayan Krishi Vigyan Kendra (KVK), Ranchi organized special programmes on the occasions of the release of PM-Kisan Samman Nidhi on 2nd August 2025, 19th November 2025, and 13th March 2026. These programmes were aimed at strengthening farmer outreach, enhancing awareness about government schemes, and facilitating direct interaction between farmers, scientists, and policymakers. Farmers from Ranchi and adjoining areas were invited to the KVK premises. On each occasion, Kisan Gosthis (farmer meetings) were organized, providing a platform for open dialogue. Farmers had direct interaction with KVK scientists, where they discussed practical challenges and received technical guidance. Scientists and officials explained various government schemes related to farmer welfare, including eligibility criteria and application processes. Farmers were guided on how to avail benefits under schemes such as crop insurance, soil health initiatives, irrigation support, and livelihood programmes. Each programme was graced by the presence of Members of Parliament (MPs), Members of Legislative Assembly (MLAs), and senior officers from State and District Agriculture Departments. At the conclusion of each programme, farmers collectively watched the live telecast of the Hon'ble Prime Minister's address. The Prime Minister's message reinforced the government's commitment to farmer welfare and motivated participants to adopt modern practices and benefit from ongoing initiatives.

Launch of PM-DhanDhanya Krishi Yojana on 11 October 2025

On the occasion of the launch of the PM-DhanDhanya Krishi Yojana, Divyayan Krishi Vigyan Kendra (KVK), Ranchi organized a special programme aimed at promoting agricultural productivity, credit access, irrigation development, and crop diversification. The event was designed to create awareness among farmers about the objectives of the scheme and to facilitate direct interaction with policymakers and agricultural experts. Around 300 farmers from Ranchi and nearby districts attended the programme. The gathering provided a platform for farmers to understand the scope of the new scheme and its benefits for sustainable agriculture. The programme was graced by Hon'ble Minister of State, Minister of Defence, GOI, Shri Sanjay Seth, who addressed the farmers and emphasized the government's commitment to agricultural development. Other distinguished participants included: Director, SAMETI Jharkhand; Director, Agriculture Department; District officers of line departments. Their presence ensured that farmers received first-hand information and clarifications on scheme implementation. At the conclusion of the programme, participants watched the direct telecast of the launch ceremony and the address of Hon'ble Prime Minister Shri Narendra Modi.

D.2.e Kisan Gosthi, Adaptive Research (CFLD, FLD and OFT)

Kisan Gosthi: These are conducted to apprise the farmers about different technologies involved in production of different crops and to have direct interaction with farmers. This year **146** Kisan Gosthis were organized involving **10644** farmers.

Cluster Front Line Demonstration (CFLD) and Front Line Demonstration (FLD):

The field demonstration conducted under the close supervision of scientists is called Front Line Demonstration, as the technologies are demonstrated for the first time by the scientists themselves before being fed into the main extension system of the State Department of Agriculture. The main objective of CFLD/FLD is to demonstrate newly released crop production and different technologies and its management practices in the farmers' field under different agroclimatic region and farming situation. During 2025-26, CFLD and FLD programmes were conducted on **16** different crops/technologies/implements like paddy, wheat, niger, green gram, mustard, tomato etc. involving **2135** farmers. Feed back from the involved farmers have been properly collected and provided to respective research institutions.

Details of the CFLD and FLD Programmes Conducted

Sl. No.	Crop/Technology	Variety	Area(ha)	No of Farmers
Cereals				
1	Finger Millet	A 404	100.00	500
2	Paddy	CR 320, Bhutku	52.00	131
3	Maize (Fodder)		20.00	50
Oil Seeds				
4	Mustard (CFLD)	BBM-1	400.00	1000
5	Linseed	Priyam	20.00	50
6	Groundnut	K1812	13.00	52
7	Sesame	GT-6	07.50	19

On-Farm Trial (OFT)

Objective of this activity is to assess the technologies based on local problems to best fit the socio-economic condition of the farmers and to identify the production constraints. During 2024-25, **11** nos. of On-Farm Trials have been conducted on different crops involving **101** farmers, in different villages of Ranchi District. Details of the OFTs conducted during the year are as given below.

Technological Interventions	Yield (Q/ha)	Yield increase (%)	B:C Ratio
1. Assessment of efficacy of Nitrogen use efficiency in Rice. (Number of trials -10)	38.70	6.17	2.20
2. Assessment of climate resilient varieties in rice suitable for medium land of Ranchi district. (Number of trials -10)	54.00	14.07	1.47
3. Assessment of different insecticidal molecules to control brown plant hopper in rice (Number of trials -8).	39.30	22.39	2.45
4. Assessment of Karanj oil to control external parasites in Goats (Number of trials -18).	100%(Efficacy)	Rs. 56.50/goat for treatment after 15 days	
5. Assessment of different microbial sources in Mustard (Number of trials -10).	13.9	16.5	2.31
6. Evaluation of onion varieties for Kharif Season (Number of Trials - 8)	167	27.48	3.59
7. Regulation of bearing potential in litchi (Litchi chinensis) through girdling of primary branches (Number of Trials -8)	31.99	401	4.03
8. Assessment of Mulching in Mango (Number of trials -8)	18.65kg/tree	31.5	3.48
9. Formulation of Jackfruit Candy (No. of Trials - 10)	Over all acceptability : 9		
11. Development of Complimentary food mix to reduce malnutrition among children (assessment).Over all acceptability : 8 (Number of trials -10)			

Assessment of different insecticidal molecules control brown plant hopper in rice

Evaluation of onion varieties for Kharif Season

Assessment of Karanj oil to control external parasites in Goats

Formulation of Jackfruit Candy

D.2.f Technologies Transferred for Doubling Farmers' Income

Sl. No.	Name of Programme	Objective of the Programme	Name of Village/Area	No. of Farmers Covered
1	Promotion of Mustard Production among Tribal Farmers for augmenting Sustainable Livelihood Security Under ICAR-IIRMR	Improvement in livelihood of tribal farmers of the area through mustard cultivation.	Block - Mandar, Burmi Dist. - Ranchi	100 farmers (Demonstration) 586 farmers (Distribution of Small Implements)
2	Scaling of Natural Farming Under NMOF	To promote Natural Farming through awareness, training and demonstration	Ranchi District	Awareness - 15185 Training - 70 Demonstration - 13
3	Promotion of Local Resource Based Technologies for upliftment of socio-economic condition of Tribal farmers under ICAR-IIAB	To promote eco-friendly and sustainable agricultural techniques that reduce dependency on synthetic inputs.	Villages under Angara, Mandar, Burmu, Kanke	Natural Farming Cluster - 50 Beekeeping - 16 Vaccination - 2500 Kisan mela - 5000
4	ARYA (Attracting and Retaining Youth in Agriculture)	➤ To attract and empower the youth in rural areas to take various agriculture allied and service sector enterprises for sustainable income and gainful employment in selected district. ➤ To enable the farm youth to establish network groups to take up resource and capital intensive activities like processing, value addition and marketing.	Beneficiaries of 18 villages under Angara, Silli, Rahe, Burmu, Lapung, Itki, Bero and Lapung	Number of Youth Undergone Training - 81 Entrepreneurial unit Established - 13
5	Development of Organic Cluster	➤ To develop organic cluster ➤ To increase the profitability	Dhurleta, Budhakocha, Piprabera, Gundalitoli,	13 villages, 430 Farmers Covering 700 acres

Sl. No.	Name of Programme	Objective of the Programme	Name of Village/Area	No. of farmers Covered
		➤ To decrease input cost by natural resource based organic nutrient management	Simratoli, Dublabera, Nagrabera and five villages of Nawagarh panchayat of Angara Block under Ranchi District	
6	Cluster Front Line Demonstration (CFLD) including oil seed model village	Introduction of improved variety and new technologies to farmers	Ranchi District	1000
7	Front Line Demonstration	Introduction of improved variety and new technologies to farmers	Ranchi District	1135
8	On Farm Trials	➤ To identify the location specifics of agricultural technologies under various farming systems. ➤ Assessment of existing technology so as to suit the need of the farmer	13 Villages of Diffrent Blocks in Ranchi District	101

Crop Cutting under FLD

D.2.g ICAR-ARYA Project (Attracting and Retaining Youths in Agriculture)

ARYA project with financial support of ICAR, New Delhi was started in the year 2019. The main objective of the project was to reinstate rural youths to the farming system so that this dynamic work force can be positively re-engaged for improvement of livelihood. To fulfil the objective three enterprises namely goatery, lac Cultivation and Bee Keeping were chosen under the project.

Summary of major activities which were undertaken during 2025-26

Goatery Enterprise:

- ◆ 1(One) Training programmes on scientific goat rearing was conducted involving **25** youth
- ◆ No. of Youths established entrepreneurial units during the reporting period - **03**
- ◆ No. of functional entrepreneurial units (No.) as on 31st March 2026
- ◆ **Three** groups of **20** farmers were formed.
- ◆ Net benefit per functional unit Rs.1,79,600/-.
- ◆ KVK provided critical support to each beneficiary for establishment of their enterprise.
- ◆ KVK distributed feeder, castector and vaccines in project village.

Outcome:

- ◆ At present **117** farmer families have developed a successful and profitable enterprise in goatery after KVK interventions like housing management with raised platform, breed improvement, regular vaccination and time to time providing of advisory services in project villages.
- ◆ Each beneficiary has maintained minimum 30 goats at this time.
- ◆ The mortality rate in goats which was 24 % in the beginning has decreased to 13 %.
- ◆ Presently each beneficiary is able to generate an income of Rs.1,79,600/-/unit/year
- ◆ The youths under the project are supporting their families with good socio-economic status and also working as social motivator.
- ◆ Every beneficiary is ready to invest more money in expansion of their goat farm so that the goat farms can run in sustainable manner.

Goat Housing Management using Raised platform under the ARYA Project

Bee-Keeping Enterprise:

- ◆ 31 Selected youths were trained in 1 batch intensively in scientific bee-keeping.
- ◆ No. of Youths established entrepreneurial units (No.) as on 31 March 2026 with atleast 15 boxes -16
- ◆ KVK provided bee friendly sapling for plantation, gloves, smokers, bee veil.

Outcome:

- ◆ At present 16 fully functional units established under ARYA in bee keeping after KVK interventions like training, input distribution and follow-up.
- ◆ 16 No. of youths running entrepreneurial units in a sustainable manner.
- ◆ Each beneficiary has maintained minimum 15 boxes.
- ◆ The mortality rate in bee-keeping which was 23 % in the beginning has decreased to 9 %.
- ◆ Presently each beneficiary is able to generate gross income of Rs. 1,56,800/unit/year
- ◆ During the reporting period 42 bee boxes, 31 set of bee veil and knife have been distributed among the beneficiaries

Lac Enterprise:

- ◆ 1 training programme was conducted on scientific lac cultivation involving 25 youths
- ◆ No. of Youths established entrepreneurial units (No.) during the reporting period -5
- ◆ No. of Youths established entrepreneurial units (No.) as on 31st March 2026 with at least 10 host plants - 23

- ◆ KVK provided seed lac, sprayer, secateur etc were provided to beneficiaries

Outcome:

- ◆ Each beneficiary has maintained minimum 10 host plants.
- ◆ The mortality rate in lac cultivation which was 23 % in the beginning has decreased to 9 %.
- ◆ Presently each beneficiary is able to generate an income of Rs. 171300/unit/year
- ◆ The youths under the project are supporting their families with good socio-economic status and also working as social motivator.

D.3 Women Empowerment

In the tribal-dominated areas of Ranchi and its adjoining districts, women have long endured discrimination and deprivation arising from poverty, low productivity, primitive living conditions, and lack of awareness of socio-moral values. To ensure inclusive growth, it is imperative to bring women into the mainstream of economic activities. Recognizing this need, Ramakrishna Mission Ashrama, Divyayan Krishi Vigyan Kendra, Morabadi, Ranchi has taken significant steps to empower women both economically and socially. The Ashrama has organized women into Self-Help Groups (SHGs) and conducted specialized training programmes in diverse fields such as: Skill upgradation and drudgery reduction, Fruits and vegetables preservation and value addition, Mushroom cultivation, Piggery, fisheries, and poultry, Allied livelihood activities. These initiatives have generated alternative employment opportunities for women, enabling them to contribute meaningfully to household income. Increased earnings in the hands of rural women translate into better nutrition, improved healthcare, and enhanced educational opportunities for their children. The Ashrama firmly believes that economic empowerment, rooted in moral and spiritual values, transforms women into powerful agents of social change. By fostering self-reliance, dignity of labour, and value-based living, this initiative is paving the way for a more harmonious and progressive society.

Following training programmes were conducted for economically empower women

Name of the Training Programme	Number of Batches	No. of Women Trainees
Nutrient security through processing of indigenous crop	1	27
Nutrient security through Food Preservation	1	28
Value addition, packaging and marketing of millets	1	26
Processing of millets	1	34

Besides organising on campus training programmes following off campus training programmes were also conducted.

Name of the Training Programme	Number of Batches	No. of Women Trainees
Kitchen Gardening And Nutrition Gardening	2	43
Value addition of Indigenous crop and fruit	2	28
Mushroom Production	1	26

Kisan Gosthis were also organized on healthy diet and millet production involving 266 participants

Kisan Gosthi

Topic	Venue	Date	No. of Participants
Nutri. Cereal in the diet	Getalsud, Angara	18-12-2025	47
Millet for Health	Pola. Lapung	22-12-2025	106
Millet production and its benefit	Kargenayatoli, Mandar	08-12-2025	113

Events organised for nutritional security of rural women and child

Observance of Nutrition Month : The Nutrition Month was observed during September 2025 at Divyayan Krishi Vigyan Kendra (KVK), Ranchi with the objective of creating awareness among school-going children, rural farm women, and tribal villagers regarding the importance of nutrition and preparation of nutritive food from locally available crops, fruits, and vegetables.

The programmes emphasized: Balanced diet and nutrition awareness for children and rural families, Demonstrations on preparation of nutritive food using local produce, basic physical exercise sessions to highlight the role of fitness in maintaining good health, on-campus training for rural farm women, including exposure visits to the Nutri Garden of the KVK, distribution of plant saplings among farm women to encourage household-level nutrition security and verbal quiz competitions among school students to reinforce learning in an engaging manner. In total, five programmes were conducted during the month, involving 119 participants. The initiative successfully sensitized the target groups on the importance of nutrition, practical methods of preparing healthy food, and the role of physical activity in overall well-being. The celebration contributed towards building awareness, promoting dietary diversity, and encouraging sustainable practices for better health and nutrition among rural communities.

Celebration of Birth Anniversary of Sister Nivedita

On 12 November 2025, to mark the 158th Birth Anniversary of Sister Nivedita, an awareness programme was organized at Badkigorang village under Angara block of Ranchi district on the theme "Swasth Bharat Ki Aur: Swasthya, Poshan Suraksha aur Udyamita Vikas ka Sangam."

The objective of the programme was to educate rural tribal women on preparing nutrient-rich food from locally available resources and to promote health, nutrition security, and entrepreneurship.

The event witnessed active participation of 251 tribal villagers (Male – 114, Female – 137), reflecting strong community engagement and enthusiasm in carrying forward Sister Nivedita's vision of empowerment and service.

D4. Production of Seed Material & Related Programmes

The increase in agricultural production directly depends on the quality of seed. Seeds of appropriate characteristics are required to meet the demand of diverse agro-climatic conditions and intensive cropping system. The basic concept behind this programme is to develop a system which will ensure the timely supply of quality seeds to farmers at reasonable rates. To ensure the availability of quality seeds among the farmers, our endeavour is to produce high yielding varieties of the same to gear up the condition of marginal farmers and help lead the country to sufficiency.

Divyayan KVK Ranchi itself has been optimally using its instructional farm for the production of seeds and planting materials for the farmers of Ranchi district. Certified seeds were also produced in the farmers' field by providing them foundation seeds and technical guidance.

During the reporting period seeds of different crops and varieties were produced from our demonstration farms as well as by the farmers under Seed Village Programme as per the details given below to make them available to farmers and Govt. of Jharkhand for further distribution :

Sl. No	Crop/Vegetable	Variety	Type of Seed	Qty (in qtl.)
Seed Production at Divyayan KVK Farm:-				
1.	Paddy	CR Dhan 214	Foundation	15.00
		CR Dhan 804	Foundation	40.00
		CR Dhan 320	Foundation	76.00
		MTU 1010	Foundation	88.00
		Sahabhagi	Foundation	17.00
		R. Mansuri	Foundation	10.00
		Bhutku	T/L	61.00
2.	Wheat	DBW-187	Foundation	58.00
3.	Finger millet	BM-3	Foundation	15.00
4.	Pigeon pea	Rajeev Lochan	Truthful	03.00
5.	Turmeric	R. Soniya	Truthful	20.00
6.	Sesbania		I	03.00
7.	Tephrosia			01.00
8.	Elephant Foot Yam	Gajendra	Truthful	66.00
9.	Potato	K. Khyati	Truthful	184.00
10.	Gram	Birsa Chana-3	Foundation	10.00
11.	Garden peas	GS-10	Truthful	02.00
12.	Mustard	BBM-1	Foundation	40.00
13.	Green Gram	Virat	Certified	02.00

Farmers Participating Seed Production:-

S. No	Crop	Variety	Qty (in qtl.)
1.	Black gram	IPU 11-2	6023
2.	Finger millets	BM-3	7920
3.	Gram - Standing Crop	-	-
4.	Lentil - Standing Crop	-	-
5 .	Pigeon pea - Standing Crop	-	-

**Seed Production Activity by Divyayan KVK****D5. Other Special Programme undertaken by Divyayan KVK**

Sr.No	Programme Type	Name of the Programme/Scheme	Purpose of programme	Funding agency
1	Infrastructure Development	Mini Mission -I of National Beekeeping and Honey Mission	Development of Quality Nucleus Stock, Plantation of bee preferred host plants for availability of honey round the year, Centre for honey and other bee hive products collection, branding, marketing, Testing Lab	NBB
2	Livelihood Activities	Empowering tribal communities with climate resilient technologies: A pathway to sustainable development in tribal area under TSP	To promote Natural Farming, Bee Keeping and Goat Farming	ICAR-IIAB, Ranchi
3	Livelihood Activities	One Day training Programme and Distribution of Plants and Implements	Promotion of citrus cultivation	ICAR- CCRI
4	Livelihood Activities	Establishment of Millet Technology and Promotion center	Promotion of Millet in Ranchi district	ICAR-IIMR, Hyderabad

D.6 Out Scaling of Natural Farming

Natural Farming is a chemical-free farming system rooted in Indian tradition enriched with modern understanding of ecology, resource recycling and on-farm resource optimization. It is considered as agroecology based diversified farming system which integrates crops, trees and livestock with functional biodiversity. Natural farming aims at restoring soil health, maintenance of diversity, ensure animal welfare, stress on efficient use of natural/local resources and promote ecological fairness.

It works with the natural biodiversity, encouraging the soil's biological activity and managing the complexity of living organisms both plant and animal to thrive along with food production system. Important practices, essential for adoption of natural farming includes: No external inputs, On-farm produced microbial formulation for seed treatment (such as bijamrita), On-farm made microbial inoculants (Jivamrita) for soil enrichment etc.

So, keeping in view the above given views, following activities were organised to create mass awareness among the farmers of Ranchi District.

Training Programmes -3 batches involving 70 Trainees

Awareness Programme - 135 Nos. involving 15185 participants under Viksit Bharat Sankalp Abhiyan.

Kisan Mela - 4

Demonstration - 13 involving 13 farmers

Development of Natural farming cluster at Kuchu village of Angara block-Area 50 Acre, Farmer-50, total in village farmed covered 750 acre.)

Training on Natural Farming

Hands-on Training on Natural Farming

Awareness Programme on Natural Farming During Vikshit Bharat Sankalpa Yatra

Live Demonstration of Natural farming during Kisan Mela

Training

D.7 Mustard Production in Rice Fallow Area

A Front Line Demonstration programme on mustard was conducted at Mandar and Burmu Blocks of Ranchi district in collaboration with **ICAR-IIRMR, Bharatpur** in 100 acre area. The main objective of the project was to improve tribal farmer's growing practices by undertaking capacity building programmes for the tribal farmers of Ranchi district. The ultimate goal is to increase rapeseed-mustard production in the area to alleviate poverty of the scheduled tribes of the district.

Sl. No.	Activities	No. of Programmes	No of Beneficiaries
1.	Front Line Demonstration	107	107
2.	2-day training programme	1	30 Trainees
3.	Awareness Cum Training program	8	228
4.	Field Day, Kisan Gosthi & Exposure visits	9	442
5.	Distribution of seed (BBM-1)	1	200 kg
6.	Input Distribution		
	a. Nano Urea Plus, Sagarika and Nano DAP-150 ltrs.,		b. Dashparni Bio-pesticide-1000ltrs.
	c. Portable sprinkler -36 nos.		d. Battery operated sprayer -586 nos.
	e. Sickels -100 nos. f. Oil Expeller (5hp) - 2 nos.		g. Power Weeder - 1 no.

Impact of the programme

With the adoption of improved production technologies (HYV Birsa Bhabha Mustard-1 @ 5kg/ha, line sowing, nutrient management through 2 foliar spray of Nano Urea plus , one spray of Nano DAP and 2 spray of Sagarika, insect pest control through Dasparni (biopesticide) and Karanj oil, farmers increased the grain yield by 25.92 %. The B:C ratio of cultivation of BBM-1 was 2.08 which was higher than farmer's variety i.e., 1.75.

Mustard variety BBM-1 at vegetative stage

Mustard variety BBM-1 at vegetative stage

Farm Implements Distribution

D.8 Empowering tribal communities with climate resilient technologies : A pathway to sustainable development in tribal area under TSP (Sponsored by ICAR-Indian Institute of Agricultural Bio-technology, Ranchi)

Interventions like natural farming, goat rearing, and beekeeping are not only important for addressing the economic backwardness of tribal areas but also for promoting environmental sustainability, preserving cultural heritage, enhancing food security, and fostering community resilience through skill development and income diversification.

Economic Empowerment: Many tribal areas suffer from chronic poverty and lack of economic opportunities. Introducing sustainable livelihood options such as natural farming, goat rearing, and beekeeping can provide alternative sources of income for tribal communities.

Environmental Sustainability: Tribal areas often have fragile ecosystems that are vulnerable to exploitation and degradation. Practices like natural farming, beekeeping (which supports pollination and biodiversity), and goat rearing can contribute to environmental conservation and preservation of local biodiversity.

Income Diversification: Dependence on only crop can be risky in tribal areas. Diversifying income sources through activities like natural farming, goat rearing, and beekeeping can stabilize household incomes and reduce vulnerability to economic shocks.

The implementation of these technological interventions has transformed underdeveloped areas by enhancing agricultural productivity, generating employment opportunities, and promoting sustainable practices. This holistic approach has not only improved economic conditions but also contributed to the overall well-being of the community.

Keeping in mind above given facts the objectives of the programme were :

1. To enhance livelihood security of tribal farmers by introducing sustainable income- generating activities such as goat rearing and beekeeping.
2. To reduce dependence on single-crop farming by diversifying livelihood options, thereby stabilizing household incomes and minimizing risks from market and climate fluctuations.
3. To empower tribal communities through skill development, vaccination drives, and Kisan Melas that disseminate latest technologies and foster collective resilience.

To meet the above said objectives following strategies/activities were undertaken :

Selection of Beneficiaries:

1. Formation of Groups: Beneficiaries were selected through the formation of Farmer Interest Groups (FIGs), with support from Vivekananda Seva Sangh (an organization formed by ex-trainees of KVK).
2. Criteria for Selection: Priority was given to marginalized communities, smallholder farmers, women, and unemployed youth. Beneficiary have been selected on the basis of their interest and willingness to participate in the project
3. Existing FIGs/FPOs/SHGs: Identification: Existing SHGs & FIG in the project area has been identified through local community leaders.

Mobilization and Participation

1. Awareness Campaigns: Awareness programme were organised to create mass level awareness
2. Community Meetings: Community meetings were organized to inform potential beneficiaries about

the project objectives, benefits, and available opportunities.

3. **Training Programs:** Both on-campus and off-campus training programs were conducted on natural farming and beekeeping to enhance the skills and knowledge of participants.
4. **Continuous Engagement:**
Regular Meetings: Group meetings were held at regular intervals to discuss progress, address challenges, and plan collectively.
5. **Feedback Mechanism:** Quarterly review meetings were organized at the KVK level to gather feedback from participants.

The interventions fostered community empowerment through beekeeping, goat vaccination, and Kisan Melas, improving cooperation and awareness. Access to honey enhanced nutrition and health outcomes. Economically, beneficiaries achieved income diversification via goat rearing and beekeeping, with earnings rising by 10–15%, reducing vulnerability and strengthening livelihoods.

D.8 Viksit Krishi Sankalp Abhiyan(15 May – 12 June 2025, Ranchi District)

The Viksit Krishi Sankalp Abhiyan was conducted from 15 May to 12 June 2025 across **13 blocks, 113 panchayats, and 135 villages, covering a total of 15,185 farmers** in Ranchi District. The programme was formally launched on 29 May 2025 by Hon'ble Shri Sanjay Seth, Minister of State, Ministry of Defense, Government of India, who flagged off the scientist teams with a green flag ceremony, marking the official commencement of the Abhiyan. Three teams comprising scientists from Divyayan Krishi Vigyan Kendra (KVK), Ranchi and ICAR Institutes visited the villages during this period and engaged in direct interactions with farmers. These interactions provided valuable insights into local innovations and field practices.

□ Farmers' Innovations Recorded

Housing management in goatery – by Shri Birsra Oraon, Dhurleta, Angara, Ranchi.

Mixed farming of ginger, cauliflower, and chilli and Mixed farming of elephant foot yam and cucumber – by Shri Nandkishor Sahu, Choreya, Chanhoo, Ranchi.

Optimizing lac yield by rescheduling inoculation on Semialata hosts – by Shri Ramesh Kumhar, Banta village, Silli block, Ranchi.

□ Researchable Issues Identified

Low yield of medium-duration varieties of rice

Low yield of medium-duration varieties of pigeon pea.

High incidence of rhizome rot in ginger.

Wilt disease affecting solanaceous and pulse crops.

Viral diseases in vegetable crops.

Viral diseases of papaya. High incidence of false smut in rice hybrids.

Conclusion : The Abhiyan facilitated farmer–scientist interaction, documented grassroots innovations, and identified critical research gaps in crop productivity and disease management. The formal launch by Hon'ble Shri Sanjay Seth added momentum and visibility to the initiative, ensuring greater participation and enthusiasm among farmers. The findings will serve as a foundation for future research, extension strategies, and farmer-centric interventions aimed at sustainable agricultural development in Ranchi District.

D9. Workshops, Seminars and other Awareness Programmes

Yoga Practice and Seminar cum workshop Under 100 Day Count Down of 10th International Day of Yoga

44th Day of 100 Day Count Down Programme for International Yoga Day was organized at Amar Shaheed Neelambar-Pitambar Park, Morabadi, Ranchi on 8th May 2025 under the sponsorship of Morarji Desai National Institute for Yoga(MDNIY), New Delhi. The event, based on the theme "Yoga for One Earth, One Health", aimed to highlight yoga's significance in achieving holistic health and global

harmony. The programme was conducted in 2(two) sessions. In morning session from 7:00am to 8:00, common yoga protocol was practiced by around 2500 participants from different institutes. A special seminar on the theme was conducted in the afternoon session.

World Bee Day

On 20 May 2025, World Bee Day was celebrated at Divyayan Krishi Vigyan Kendra (KVK), Ranchi as an awareness programme for beekeepers, prospective beekeepers, and farmers. The programme highlighted the importance of bees in sustaining life on earth and their critical role in crop productivity through pollination. Participants were sensitized to how beekeeping integrates seamlessly with forestry, agriculture, and conservation initiatives, utilizing the same natural resources while generating additional livelihood opportunities. The event emphasized that beekeeping not only supports biodiversity conservation but also enhances farm income and nutritional security through honey production and allied products. The programme was attended by 62 participants, who actively engaged in discussions and awareness activities, making the celebration impactful and inspiring for rural communities.

World Environment Day

World Environment Day was observed on 5 June 2025 at Divyayan Krishi Vigyan Kendra (KVK), Ranchi during the ongoing Viksit Krishi Sankalp Abhiyan (VKSA) programme. The day was dedicated to creating awareness among farmers and villagers about the conservation of natural resources and the urgent need to protect the environment. Participants were sensitized to the benefits of adopting eco-friendly agricultural practices and urged to embrace natural farming methods. These practices not only safeguard the environment but also help in reducing input costs, thereby improving farm

sustainability. The programme was conducted in six villages by different teams of scientists and extension workers, covering around 600 farmers. The observance successfully highlighted the link between sustainable agriculture and environmental protection, encouraging farmers to become active stakeholders in conserving natural resources for future generations. World Environment Day was observed on 5 June 2025 at Divyayan Krishi Vigyan Kendra (KVK), Ranchi during the ongoing Viksit Krishi Sankalp Abhiyan (VKSA) programme. The day was dedicated to creating awareness among farmers and villagers about the conservation of natural resources and the urgent need to protect the environment. Participants were sensitized to the benefits of adopting eco-friendly agricultural practices and urged to embrace natural farming methods. These practices not only safeguard the environment but also help in reducing input costs, thereby improving farm sustainability. The programme was conducted in six villages by different teams of scientists and extension workers, covering around 600 farmers.

International Yoga Day

On 21 June 2025, International Yoga Day was celebrated across multiple locations in Ranchi under the joint aegis of Ramakrishna Mission Ashram, Divyayan Krishi Vigyan Kendra, Ramakrishna Mission Vivekananda Educational and Research Institute, and the Indian Yoga Association, Jharkhand Chapter. Main Venues Included: Subodhananda Hall, Ashrama Campus, RKMVERI Campus, Various Educational

and Value Education Centers run by the Ashrama, DAV Public School, Gandhinagar, Khadi Gram Udyog, Ashok Nagar and PM Shri Kendriya Vidyalaya, Khuntis. Simultaneously, nearly 1877 participants joined in yoga practices across 36 associated centers of the Ashrama in Ranchi and Khunti districts. In the afternoon, a special session themed “Yog Yukt Jharkhand, Rog Mukta Jharkhand” was organized at the Ashrama Auditorium, featuring insightful addresses from distinguished guests including Swami Bhaveshananda, Mr. Ranjit Dutta, Executive Director, Prabhat Khabar, who emphasized incorporating yoga into daily routines to combat rising mental stress. The program concluded with an award ceremony and a vote of thanks.

Annual Action Plan Workshop-2025 for KVKs of Jharkhand

A two-day Workshop for Finalization of Annual Action Plan – 2025 for Krishi Vigyan Kendras (KVKs) was held on 5 and 6 May 2025 under the chairmanship of Dr. Anjani Kumar, Director, ICAR–ATARI, Patna. The workshop was enriched by the expertise of Dr. M. Norbhulla and Dr. D. V. Singh, Principal Scientists of ICAR–ATARI, Patna. All the Senior Scientists and Heads of KVKs of Jharkhand attended the programme and presented their respective Annual Action Plans for 2025. Key highlights included detailed discussions on major activities like Training programmes, On-Farm Trials (OFTs), Front Line Demonstrations (FLDs) and Cluster Front Line Demonstrations (CFLDs). Modifications and refinements were suggested wherever necessary to strengthen the plans. The finalized action plans emphasized farmer welfare, productivity enhancement, and income generation. The workshop was highly successful, providing a structured roadmap for KVKs in Jharkhand. The finalized Annual Action Plans would contribute significantly to the welfare and income enhancement of farmers, ensuring that scientific interventions are effectively translated into field-level impact.

Workshop cum Training Programme on Improved Production Technology of Citrus Fruits

On 25 August 2025, Divyayan KVK, Ranchi in collaboration with ICAR–CCRI, Nagpur organized a one-day Workshop cum training programme on “Improved Production Technology of Citrus Fruits”. The programme was attended by 298 farmers, including ST and SC beneficiaries. During the event, 6,250

lemon, 150 mosambi, and 100 orange plants along with 250 battery-operated sprayers were distributed. A practical demonstration on citrus cultivation was conducted at the KVK farm in Getalsud. The programme was graced by Dr. Dilip Ghosh, Director, ICAR–CCRI, Nagpur, Dr. Debdash T. Meshram, Principal Scientist, and Dr. Naresh Meshram, Senior Scientist, who provided expert guidance on citrus production technologies, pest and disease management, and addressed farmers' queries. This initiative combined technical training with resource distribution, equipping farmers with both knowledge and inputs to strengthen citrus cultivation. It is expected to significantly enhance horticultural development and contribute to income generation and livelihood diversification in Ranchi district.

Parthenium Awareness Week

To apprise the farmers about the harmful effects of the Parthenium and its management, Divyayan KVK organized the “Parthenium Awareness Week” from 16th to 22nd August, 2025. During this week, awareness programme was organized at Divyayan KVK and different village of Angara and Burmu Blocks under Ranchi district.

Awareness Campaign on Viksit Bharat G. RAM G

Divyayan Krishi Vigyan Kendra (KVK), Ranchi organized a awareness campaign on Viksit Bharat G. RAM

G (Guarantee for Rozgar and Ajeevika Mission – Gramin) on from 3rd to 15th January 2026. The key activities include 3 Sarpanch Sammelans, 1 Village Gosthi, integration with 4 Training Programmes were and walking seminars. These activities were organized to engage villagers directly. The newly introduced Bill replacing MGNREGA was extensively discussed, highlighting Guarantee of 125 days

employment per household, durable asset creation, alignment of rural livelihoods with the vision of Viksit Bharat 2047. The campaign covered 27 Panchayats and 108 villages. Around thousands of farmers and villagers participated. Social media platforms were extensively used to spread awareness and ensure wider reach.

Celebration of Hindi Pakhwara

Divyayan Krishi Vigyan Kendra celebrated Hindi Pakhwara on 14 September 2024, with active participation from 39 individuals, including staff members and trainees. The program aimed to promote the use of Hindi in official and day-to-day communication. Participants engaged in interactive sessions and cultural activities highlighting the significance and richness of the Hindi language. The event fostered linguistic pride and encouraged the continued use of Hindi.

Swachhata Hi Seva

Under this programme, a series of on-campus and off-campus events were organized from 17th Sept to 02nd Oct' 2025-with the theme 'Swachhotsav (स्वच्छोत्सव)', aimed at promoting cleanliness and hygiene awareness. During the reporting period, 14 programmes were conducted, engaging a total of 719 participants. At Divyayan Krishi Vigyan Kendra, various activities such as oath-taking ceremonies, essay writing, quiz competitions, and human chain formations were held to effectively disseminate the message of cleanliness. Additionally, special outreach programmes on "Waste to Wealth" were conducted in rural areas of Angara, Burmu, and Ratu Blocks, highlighting sustainable waste management practices. A one-day training session on hygiene and sanitation was also organized for school-going children at Nawagah, under Angara Block, fostering awareness from an early age.

Celebration of Constitution Day

On 26th November 2025, Constitution Day was celebrated at the conference hall of Divyayan Krishi Vigyan Kendra (DKVK) to foster awareness among farmers regarding the fundamental duties enshrined in the Indian Constitution. The programme commenced with an overview of the Constitution's foundation, its Preamble, and a tribute to Dr. Bheem Rao Ambedkar, the chief architect of the Indian Constitution and the nation's first Law Minister.

Dr. Ajeet Kumar Singh, Senior Scientist at DKVK, addressed the gathering with an insightful speech on the responsibilities of citizens towards national development. He emphasized the significance of all 10 fundamental duties, encouraging participants to reflect on their role in upholding constitutional values. The event concluded with a pledge on the Preamble of the Indian Constitution, solemnly undertaken by all farmers and staff members present.

Seminar on “The Future of Beekeeping : Production, Processing and Marketing”

A two-day seminar on “The Future of Beekeeping: Production, Processing, and Marketing” was organized at the RKMA Auditorium, Ranchi on 3rd and 4th November 2025. The seminar aimed to bring together experts, practitioners, and stakeholders to deliberate on innovations, challenges, and opportunities across the beekeeping value chain — from colony management to product marketing.

The seminar was graced by eminent personalities, including: Dr. Avani Kumar Singh, Principal Scientist-cum-Head, ICAR-RCER FSRCHPR, Palandu, Ranchi; Dr. S. K. Paul, Dean, RKMVERI, Morabadi Faculty Centre, Sri Mahesh Raj, District Horticulture Officer and Other dignitaries and subject experts. Their valuable thoughts and experiences enriched the discussions and provided practical insights for the participants. The seminar witnessed active participation from Beekeepers, Farmer Producer Organization (FPO) members, Students and Other stakeholders in the apiculture sector. Key Sessions included Technical Innovations in Colony Management – Experts highlighted scientific practices for improving bee health and productivity, Processing and Quality Assurance – Discussions focused on modern processing techniques, hygiene standards, and certification for market readiness, Marketing Channels and Supply Chain – Sri Sanjeet Kumar, OSD, SIDKOFED, delivered a lecture on marketing strategies, supply chain management, and opportunities for expanding honey markets.

The seminar enhanced awareness among stakeholders about the latest innovations in beekeeping and emphasized the importance of quality processing and branding to ensure consumer trust. It also facilitated the identification of new marketing channels and supply chain models for honey and allied

products, while strengthening collaboration between research institutions, government departments, and practitioners.

Women Farmers' Day

Women Farmers' Day was observed on 15th October, 2025 at Conference Hall of Divyayan KVK Ranchi.

Through this programme, the women farmers were made aware about different income generation programmes which can be carried out through SHG. A scientist-farmwomen interactive sessions was also organised to link secondary agriculture related activities with livelihood security of farm families, including mushroom cultivation, production of vermi compost in Integrated Farming System etc

Celebration of Janjatiya Gaurav Varsh Pakhwada - 2025

The Janjatiya Gaurav Varsh Pakhwada – 2025, organized from November 1 to 15, 2025 to commemorate the 150th Birth Anniversary of Bhagwan Birsa Munda, aimed to showcase and celebrate the achievements of tribal communities, highlight their role in nation-building, and promote inclusive development through meaningful engagement across sectors. The programmes were conducted under four major themes: Socio-Economic Development and Awareness, Education and Skill Development, Livelihood and Entrepreneurship, and Health and Wellness. Over the fortnight, a total of 13 programmes were organized, covering 763 participants including tribal community members, youth, women, students, and other stakeholders. The Pakhwada successfully created awareness, encouraged skill development, promoted livelihood opportunities, and strengthened collaboration among government departments, educational institutions, and community organizations, thereby honoring

the legacy of Bhagwan Birsa Munda while advancing the cause of tribal empowerment and inclusive growth.

Celebration of World Soil Day

World Soil Day 2025 was celebrated at Divyayan Krishi Vigyan Kendra (KVK), Ranchi with the theme "Soil and Water: A Source of Life," bringing together key stakeholders to promote soil health awareness and sustainable agricultural practices. The event witnessed active participation from 54 LAMPS dealers, who engaged in discussions and technical sessions aimed at enhancing soil management strategies. Dr. Tarachand, Director of Agriculture, Government of Jharkhand, graced the occasion as Chief Guest and emphasized the importance of soil conservation for long-term food security. Other distinguished guests included Swami Bhaveshananda, Secretary of Ramakrishna Mission Ashrama (RKMA), Ranchi; the District Agriculture Officer (DAO), Ranchi; and the Senior Scientist & Head along with scientists from Divyayan KVK. The program featured expert talks on soil testing, organic farming, and integrated nutrient management, reinforcing the commitment to ecological sustainability and empowering rural communities with practical knowledge and tools.

International Women Day

On 8th March 2026, International Women's Day was celebrated by Divyayan KVK Ranchi at Mandar Block, Ranchi district, highlighting the indispensable role of women in rural development. The programme witnessed active participation from 44 women farmers and villagers, emphasizing community engagement and empowerment.

Dr. Vishakha Singh, Subject Matter Specialist (Home Science), addressed the gathering, underscoring the crucial role women play in both the economic and social advancement of rural areas. She emphasized that the development of the nation is intrinsically linked to the progress of its villages, and women are pivotal to this transformation, serving as the backbone of rural resilience and growth.

E. Health Care

- I) Charitable Dispensary
- ii) Mobile Dispensary
- iii) Naren Eye Care Programme (For Children Eye Sight)
- iv) Vivekananda Eye Camp (For Cataract Treatment of Adults)

Health Care

This Ashrama has been rendering health care service through a Charitable Dispensary and Mobile Dispensary. Both the units have a pool of 12 specialist doctors of various ailment areas like cardiology, gynaecology, pediatrics, skin and VD, orthopaedics, ophthalmology, dentistry etc, who offer their honorary services on regular basis.

I. Charitable Dispensary

The Charitable Dispensary, established in the Ashrama campus, mainly caters to the needs of the poor and other needy people of Ranchi city. A good number of latest equipments like ECG machine, Suction machine(ENT), Dental Chair, Computerized Refraction machines etc. have been installed for better diagnosis of the patients.

Performance of Charitable Dispensary

Unit	No of Patients Treated
Homeopathic	676
Consultancy (Allopathy)	7711
Acupressure	1079

ii. Mobile Dispensary (Partially sponsored by Ministry of Tribal Affairs, Govt. of India)

It runs through the remote villages of Ranchi district to provide health care service to the villagers. Weekly and special medical camps are organised through this unit. During the year 2025-26 the villages covered under the weekly medical camps programme mainly belonged to Angara and Burmu Blocks of Ranchi and Karra Block of Khunti District as given below.

Angara Block:

Getalsud, Bisa, Nawagarh, Maheshpur, Kuchu, Haratu, Sursu, Tati, Jonha, Heshatu, Rajadera, Jaradih, Mungadih, Dimra, Mesabeda, Dublabera, Skarjara, Seetadih, Jarga, Paika, Tabishugari and Putadag.

Burmu Block:

Surid, Gesway, Soba, Baria, Gutru, Mataway, Korabar, Turmuli, Manatu, Healpiri, Gurguchuma, Katangari, Maccya, Kori, Kharkutoli, thakurgaon, Omeadanda, Patraru, Pithoria and Salhan.

Karra Block:

Chanpi, Mahato Toli, Munda Toli, Karam Toli, Simar Toli.

Performance of Mobile Dispensary

Village	No. of Patients Treated	Village	No. of Patients Treated
Getalsud	6045	Surid & Gutru	3409
Bandhtoli	2187	Special Camps	273

In all, **11914** patients were treated by this unit and the patients were provided with medicines free of cost. Besides the medical treatment, health education and awareness programme among the villagers were also conducted as before.

Patients are waiting for their turn

Free Medicine Distribution to Patients

Weekly Medical Camp

Awareness Camp

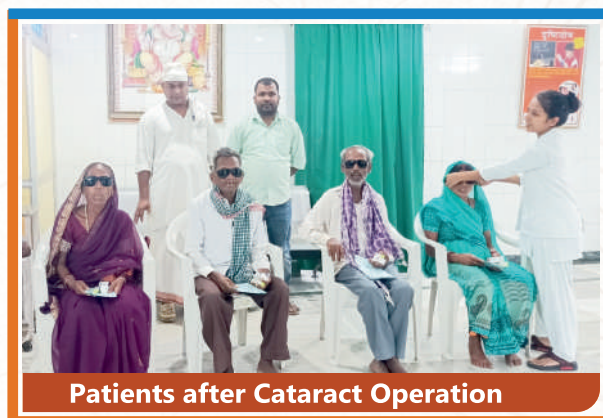

iii and iv. Naren Eye Care and Vivekananda Eye Camp Programme

This Ashrama, in collaboration with Blind Foundation for India, USA, has been executing Naren Eye Care (For Children) and Vivekananda Eye Camp Programme (Cataract detection and operation for adult) since 2010 for providing eye care service to the rural children and adult deprived of all types of medical facilities. Generally the headmasters of respective schools are contacted through our volunteers of Vivekananda Seva Sangh to fix the date of the camp. Then in the camp, eye check-up is done followed by a small awareness meeting on the "Proper Care of Eye". Once the children are identified with problem in eye sight they are provided with spectacles in the next camp. Children are also provided with medicines like vitamin-A, de-worming tablets, eye drop etc. The cataract operation camps are also organised for the elderly people. After the identification of cataract, proper medical tests are done before cataract surgery.

To execute this programme successfully, this Ashrama has a collaboration with Niramaya Hospital, Ranchi, which bore all the operation and post operation costs. The performance record of this programme for the year 2025-26 is as given below :

Naren Eye Care (Children Eye Sight Programme) and Vivekananda Eye Camp (Cataract Identification/Operation Camp for Elderly People)

Total Number of Camps	-	71
Total Number of patients covered under Cataract Identification Camp	-	2490
Total Number of Patients undergone cataract operation	-	16
No. of Children Covered	-	602
Distribution of Spectacles	-	37

Patients after Cataract Operation

Naren Eye Care and Vivekananda Eye Camp

F. Integrated Education (Formal, Vocational and Moral)

- i. Rural Education (Maa Sarada Gurukul, Akhandananda Shiksha and Sanskar Kendra, Gadadhar Abhyudaya Prkalpa, Vivekananda Abhyudaya Prkalpa)
- ii. Block Level Youth Conventions
- iii. National School of Open Schooling (NIOS)
- iv. Library
- v. Annual Competition

We want that education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet.

-Swami Vivekananda

i. Rural Education:

The present education system, with its narrow focus on preparing students for white-collar jobs, is inadvertently contributing to poverty and unemployment by neglecting the development of creativity and free thinking in children. This rigid and burdensome approach demands a complete overhaul in strategy and delivery, calling for a model that makes learning joyful, curiosity-driven, and stress-free.

In this regard this Ashrama have been assisting **primary schools and Akhandananda Shiksha and Sanskar Kendras and Gurukula Centres** run by NGOs and Vivekananda Seva Sanghas formed by our ex-trainees at Angara, Burmu, Bero, Mandar, Tamar Blocks under Ranchi District and Murhu Block under Khunti Districts.

A unique technique of teaching has been developed which includes games, models, demonstration, discussions, charts, maps as learning implements vis-a-vis books. Creativity development is brought through sketches, paintings, model making and use of geometry box.

Under unique teaching technique students were guided to play special types of games aimed at enhancing the power of concentration, memory, alertness and smartness leading to the personality development. For integrated development of the children special classes are conducted for Yoga, meditation, PT and marching practices. Children are made aware of Health & Hygiene. Periodical medical check-ups are arranged.

Besides the regular primary schools, most of our **Akhandananda Shiksha and Sanskar Kendras** are conducting evening coaching classes in their respective villages. Besides the regular course, value education classes are also conducted in these coaching centres to inculcate the feelings that man is potentially divine and religion is the manifestation of the divinity in man. Emphasis is given on cultivation of goodness - 'Be good and help others to be good'.

i.a Maa Sarada Gurkul at Chipibandihi, Tamar

Swami Vivekananda believed that education is the panacea for all evils. He wanted Indians to get that education, which would instil a tremendous sense of atmashraddha, self-belief. A student with self-belief would never feel inferior to any other student. Keeping in view of the words of Swamiji, this Ashrama in association with Soul Divine, USA has undertaken an ambitious programme to promote education among the children of Primitive Tribes at Chipibandhi village of Tamar Block Under Ranchi District.

I Objectives of the Programme:

1. To create interest in education through residential coaching centre
2. To provide quality education through innovative method
3. To reduce drop out in formal elementary/primary school
4. To prepare primitive tribal students to quality in admission test held for better schools like Navodaya Vidyalay, Kasturba Gandhi schools, Eklavya Schools, Sainik schools etc
5. Ultimate objective is to promote education among the children of Primitive Tribes to mainstreaming them.

The activities undertaken during the year 2025-26 are as follows :

Educational Activities:

Regular classes were successfully conducted for students of Class I to V, accommodating a full strength of 50 children from the Birhore and Munda tribal communities. To ensure effective communication and cultural resonance, qualified tribal youths from the same village were engaged as teachers. The teaching process was enriched through the use of educational charts and models, fostering interactive and visual learning. A well-structured daily routine was implemented to promote the holistic development of each child, encompassing yoga and physical training, academic engagement, formal school attendance, sports activities, nutritional garden involvement, evening coaching sessions, audio-visual learning modules, and regular assessments.

A Nutritional (Kitchen) Garden has been developed as a highly practical and experiential learning space, enabling children to understand the fundamentals of growing healthy food. This hands-on approach not only fosters better health and nutrition but also cultivates essential skills that support future livelihood opportunities and self-sufficiency. Beyond agricultural and horticultural practices, the garden serves as a dynamic living laboratory for exploring environmental issues and life sciences. The inclusion of freshly grown vegetables plays a vital role in combating malnutrition and addressing micronutrient deficiencies among children, thereby contributing to their overall well-being and cognitive development.

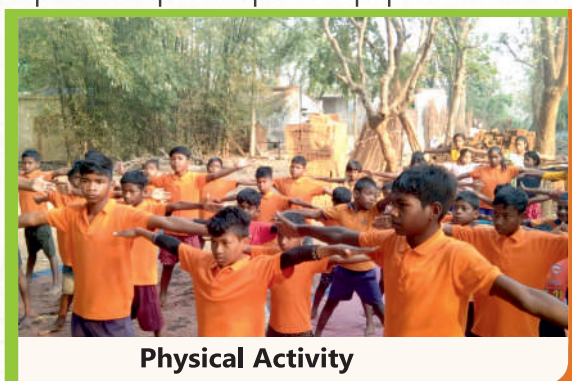

Infrastructural Improvement

Inauguration of newly Constructed Kitchen Shed

Sports and physical activity:

For integrated development of health children are made to play different games like football, volleyball, fitness rope. All required sports equipment has been provided for these games

Physical Activity

Yoga

Medical Camps:

Once in a month, special medical camps are held for students to assess the health condition of the students. Medical camps are held by different agencies like SSB (Seema Suraksha Bal), Govt. Doctor and doctors from Ramakrishna Mission Ashrama, Morabadi, Ranchi. A register is maintained to monitor BMI (Body Mass Index) of each children.

Special Eye Camp for Children

Monthly Medical Camps for Children

Monthly Assessment:

Monthly assessment of children is conducted to assess whether students have met the standards or learning objectives.

Events Celebrated

Indian Independence Day (15 August 2025), Republic Day Celebration, National Youth Day, International Yoga Day, Programmes under Swachh Bharat Abhiyan, Sri Ramakrishna Tithi Puja and other Local festivals like Karma Puja, Gandhi Jayanti, Deepawali, Kalpataru Diwas and Saraswati Puja etc.

Independence Day Celebration

Visit to Birsa Biological Park

Saraswati Puja

Lunch Time at Sarada Gurukul

i.b Akhandananda Shiksha and Sanskar Kendra (ASSK)

The transformative message of Sri Ramakrishna and Swami Vivekananda deeply inspired Swami Akhandananda, a direct disciple of Sri Ramakrishna, to initiate rural development work long before the formal establishment of the Ramakrishna Mission. As a wandering monk in Khetri, Rajasthan, in 1894, Swami Akhandananda went door to door to raise awareness about the importance of education. His tireless efforts led to a significant increase in student enrollment at the Khetri Rajya English School—from 80 to 200. Motivated by his vision, the Maharaja of Khetri introduced educational provisions for the Golas (illiterate slaves) and established a permanent education department to promote village-level schooling.

Inspired by Swami Akhandananda's pioneering work, the Morabadi centre of Ramakrishna Mission Ashrama launched the Akhandananda Shiksha and Sanskar Kendra project on 12th October 2015, commemorating the 150th Birth Anniversary of Swami Akhandananda. The initiative aims to integrate academic, vocational, and moral education for children in rural areas, aligning with Swami Vivekananda's vision of man-making and character-building education.

Project Objectives and Scope

- Prepare Class V students for entrance exams to institutions like Navodaya Vidyalaya, Kasturba Gandhi Balika Vidyalaya, and Ekalavya Vidyalaya.
- Promote holistic development through a blend of curricular and extracurricular activities.
- Instill values, discipline, and leadership qualities in rural children.
-

Operational Coverage

- Currently, 51 centres are operational across five blocks of Ranchi district: Angara, Burmu, Bero, Tamar, and Kanke.
- These centres are managed by Vivekananda Seva Sanghas, village-level organizations formed by ex-trainees of Divyayan.
- Total student enrollement across 51 active centres stands at 1,663, comprising 772 boys and 891 girls.

Akhandananda Shiksha and Sanskar Kendra Activities

Daily Schedule and Curriculum

Classes are conducted six days a week, excluding Sundays.

4:00 PM – 6:00 PM: Activities include Yoga, games, personal hygiene, cleanliness, prayer, Swadesh

Integrated Education

Mantra, and chanting.

6:00 PM – 8:00 PM: Academic sessions covering Mathematics, Science, English, Hindi, Social Studies, and General Knowledge.

Special Initiatives

- Annual Leadership Training is provided to enhance confidence and community engagement.
- A Quiz and Yoga Competition (2025–26) was organized, focusing on the ideas and ideals of Swami Vivekananda, encouraging students to embody his teachings

i.c Gadadhar Abhyudaya Prakalpa

The children in modern society, being fortunate enough to have come under the influence of technological development and other sweeping changes in socio-political sphere, are empowered by the benefits of a global way of life. On the other hand, a still larger section of children in society, caught in the jaws of poverty, illiteracy, superstition, and narrow-mindedness, are unable to break through the entry barriers to the benefits of modernization.

Keeping in mind, this project was launched in the year 2010 as a part of the 4-year long 150th Birth Anniversary Celebration of Swami Vivekananda, for the 3-fold development of the needy and backward children – physical, mental and intellectual, and since then, it has been running up till now.

Under this project during 2025-26, 497 children were covered belonging to economically backward families. It was mainly aimed at developing physical, mental and intellectual strength of the children. The project was carried out at 9 locations of Ranchi and Khunti District.

To improve the health of the children, they were provided with nutritive food like milk (250 ml. to each per day), gram, corn flakes, flattened rice, dalia, ground nut, pea etc.

To inculcate better hygienic practice, toiletries like tooth paste, tooth brush, coconut oil, soaps were provided on regular basis to the beneficiaries.

The basic training on cleanliness, awareness about

GAP Students

Distribution of Books and Copies

Distribution of Bags to Children

general health and hygiene was given to the children by highly educated supervisors and mentors who are experts in these areas. They visited the unit weekly.

Value education session of 30 minutes was conducted through pictorial moral storybooks at least once in a week by the teacher and sometimes by the supervisors and mentors.

The children were made to grow the habit of planting flower, vegetables etc. Responsibilities were distributed among the children. They worked in team to clean the classroom and surroundings etc.

Health checkup camps were also conducted for Children to monitor their health status periodically. They were provided with iron supplements and protein rich diet.

For development of moral and aesthetic value, classes on Vedic and Gita chanting along with meditation, yoga, music and drama were also organised as an integral part of the programme.

i.d Vivekananda Abhyudaya Prakalpa

Under this project special coaching is given to the poor students for Class VII to class X. Classes on English, mathematics, science, spoken English and computer are taken. In all **40** students were covered under this programme

ii. Block Level Youth Conventions

Swami Vivekananda always emphasized the potential in the youth and how this potentiality can be channelized for the welfare of the society. He had addressed this issue directly in many of his speeches.

It was deeply felt that the youth of the country must be made aware of their inherent power and this power should be channelized to build the nation. It is the need of the hour that to make them understand their role in the development of the nation.

Keeping the above objectives in mind, 3 (Three) Block level youth conventions were carried out involving **985** participants. The details of the youth convention is as given in next page:

Yoga by GAP Children

Cultural Programme by GAP Students

Cleanliness Programme at GAP centre

Prize Distribution for Drawing Competition

Details of the Youth Conventions held during 2025-26

Sl. No	Venue	Block, District	Date	Total Number of Participant	Number of Villages Covered
1	Dibadih	Sonahatu, Ranchi	06-11-2025	331	16
2	Sitadih	Angara, Ranchi	10-11-2025	357	17
3	Chaingarha	Burmu, Ranchi	02-12-2025	297	15
			Total	985	48

The theme of the youth conventions was "*Naya Bharat Gadho*". All the youth conventions were of 1 day duration. In each convention stress was given on the life and teaching of Swami Vivekananda and his call to the nation which are pertinent to youths. Group discussion on various topics on Rural development, Problem of Unemployment and its solution, Health & hygiene and cultural and social development. In each and every convention special classes on yoga, meditation and physical education were carried out. The participants were also made to present cultural programme on National Integration.

Block Level Youth Convention

iii. National Institute of Open Schooling

Ramakrishna Mission Ashrama, Divyayan Krishi Vigyan Kendra, Morabadi, Ranchi, successfully continued its endeavour for the upliftment of rural youth in the field of sustainable education through synergy of formal education, multi-skill vocational education with moral education to make the youth self-reliant as envisaged by Swami Vivekananda.

Despite massive expansion of the education system in the country, a large number of adolescents and

youths, particularly from the economically weaker sections and in rural areas, are not able to acquire school education. In this backdrop, Ramakrishna Mission Ashrama, during extensive rural development work, realised that integrating vocational education at Divyayan with school education with the help of National Institute of Open Schooling (NIOS) can provide necessary employability skill and at the same time, underprivileged and poor rural youths particularly tribal, can get the opportunity for higher education in college and University. That innovative and noble approach yields wonderful result. With a motto, 'to educate every rural youth' We have initiated distant education through NIOS and since the year 2001, Ramakrishna Mission Ashrama, Ranchi, is working as an accredited Institute of NIOS, During the reporting year **55** students in secondary, **179** in senior secondary courses have been enrolled.

To sustain this approach, we have developed a mechanism that, rural youths, particularly school drop-outs who have come for undertaking vocational training at Divyayan for long duration course, are given the opportunity for secondary and senior secondary courses of NIOS along with multiskilled vocational courses of Divyayan and also of NIOS, free of cost. After successful completion, they may further join different diplomas/degrees/certificate courses offered by Ramakrishna Mission Vivekananda Education and Research Institute (RKMVERI), in the Faculty of Agriculture Rural and Tribal Development (ARTD), Morabadi, Ranchi, through formal procedure. As of now, Thirty (30) rural youths who took training at Divyayan, have completed degree. Out of which 20 graduates and 10 master degree from RKMVERI and all of them are well established in different institutions.

iv. Library

This static library has a suitable building of 4000 sq. feet (approx). It has **23809** books as on 31.3.2026 to cater to the needs of all ages. It is a unique and only free public library, in this part of the city and provides its services mainly to school and college going students and to those who prepare for the various competitive examinations. This library is very popular among students of Ranchi University, Ramakrishna Mission Vivekananda Educational and Research Institute and research scholars because of it's quiet environment and availability of large spectrum of reading material on wide and varied subjects. The library was visited by **26638** readers during 2025-26.

Library

v. 55th Annual Competitions - 2025-26

Under Rebuild India campaign, 55th Annual competition was held in hybrid mode covering the entire state of Jharkhand. The theme of the competition was "Naya Bharat Gadho". The purpose of this competition is to acquaint our youths to our rich cultural heritage and to the powerful speeches and writings of Swami Vivekananda. We believe that the students have a very impressionable mind and if we mould them now, it would decide the future of our country.

Students, teachers and others from the state of Jharkhand, participated the competition in three events viz. Quiz, Recitation and Essay Writing competition. The competition received more than **25671** (both online and offline) registrations from students, teachers and others registered for these events. This year different district level nodal agency were formed to smoothen the process of registration and competition. Like last year, the state level winners were given cash award on the occasion of National Youth Day, 12 January 2026.

The main features of the competition were a) Free online registration b) E-certificates to all participants c) Cash prize for First -Rs. 5000, Second-Rs. 3000 and Third-Rs. 2000 for each event d) Best School Award depending upon number of participation.

Prize Distribution Ceremony for 55th Annual Competition, 2025-26 was held on the Occasion of National Youth Day and the chief guest of the occasion was **Hon'ble Sri Santosh Kumar Gangwar, Governor of Jharkhand**. Dr. Jeganathan Chockalingam, Vice Chancellor, Sarala Birla University, Ranchi, Dr. Nishant Goyal, Prof. Of Psychiatry, Central Institute of Psychiatry were the Guests of Honour.

DAV Koyla Nagar, Dhanbad received the special trophy for being the best school of the 55th Annual Competition in terms of highest no. of prizes won and highest participation from the school. 26 individual prize winners were awarded certificates, books & cash prize.

RAMAKRISHNA MISSION VIVEKANANDA EDUCATIONAL AND RESEARCH INSTITUTE (RKMVERI)

(Declared by Government of India as Deemed University under Section 3 of UGC Act., 1956)

School of Agriculture and Rural Development Faculty Centre for Agriculture, Rural and Tribal Development (ARTD) at Ramakrishna Mission Ashrama, Morabadi, Ranchi-834008, Jharkhand (With the financial support from the Dept. of Agriculture, Animal Husbandry & Cooperative, Govt. of Jharkhand)

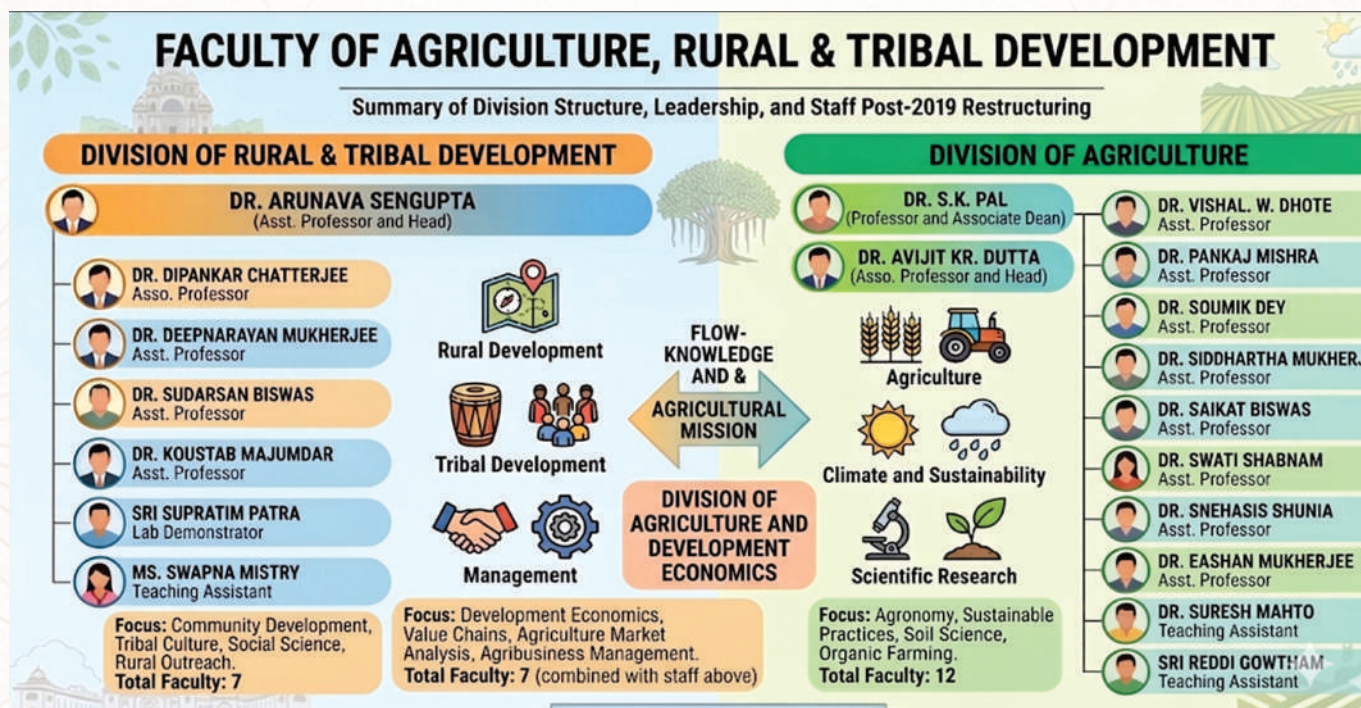

1. About The University:

Ramakrishna Mission Vivekananda Educational and Research Institute is the first step in the actualisation of Swami Vivekananda's vision of Belur Math would develop into an all-round University. It was declared by the Government of India through its Ministry of Human Resource Development on the advice of the University Grant Commission as an institution deemed-to-be-university under Section 3 of the UGC Act, 1956 by a Gazette Notification No. F.9-54/2004-U.3 dated 5 January 2005. The University was formally inaugurated by the Revered President of Ramakrishna Math and Mission on 4 July 2005, the sacred day of mahasamadhi (passing way) of Swami Vivekananda. With the asset of vast experiences of the Ramakrishna Mission Ashrama, Morabadi, RKMVERI, Belur Math decided to establish a faculty centre for 'Agriculture, Rural & Tribal Development' at Morabadi, Ranchi, Jharkhand.

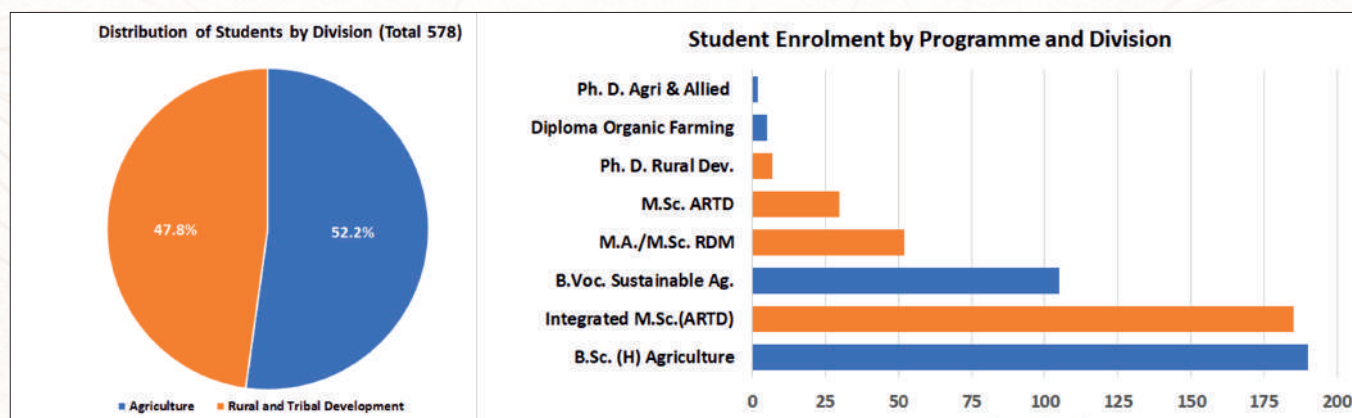

The appeal was accepted, and approval was given to this centre as an 'Off-campus Faculty Centre' by the University Grant Commission (UGC) after an inspection of six members team from 29 to 30 June 2006, vide notification No. F.6-96/2004(CPP-I) dated 3 July 2006. In 2019, the faculty of ARTD was restructured into two independent divisions for academic and administrative clarity.

2. Faculty Resources:

3. About Students:

There are five (5) batches of students in the Integrated M.Sc. in ARTD, one batch in M.Sc. ARTD, four batches in B.Sc. Ag., three batches in BVSA, two batches in RDM. The total no. of students including Ph.D. scholar is 578.

Based on the student enrollment data, visual representations highlight the distribution of students across the two divisions and their respective programs.

Enrolment Analysis

1. Division Comparison: The student strength is fairly balanced, with the Division of Agriculture accounting for 52.2% (302 students) and the Division of Rural and Tribal Development representing 47.8% (276 students).

2. Top Programs: The academic focus is heavily concentrated in two flagship courses:

- o B.Sc. (H) Agriculture (196 students)
- o Integrated M.Sc. in ARTD (190 students)

Together, these two programs serve nearly 67% of the student body at the Morabadi centre.

3. Specialised Learning: The B.Voc. in Sustainable Agriculture also shows significant strength with 102 students, indicating a high demand for vocational, skill-oriented agricultural education.

4. Extension Activities of the ARTD Faculty (2025-26)

The faculty centre conducts both intensive and extensive fieldwork for the students to acquire knowledge about the real-life situation through participatory interactions with the villagers. Students study villages extensively, identify resources available, problems etc.

a. Health Camps & Community Outreach

The faculty operates a multi-pronged outreach strategy that integrates health, agriculture, and youth development.

- Public Health: With over 185 participants in the Eye & Dental camp and specialised programs like Swastha Nari, Swastha Pariwar, the faculty acts as a bridge to healthcare for students.
- Knowledge Transfer: The 6 Kisan Melas organised in collaboration with Divyayan KVK serve as the primary vehicle for shifting lab-based agricultural research to field-based application.

b. Immersive Educational Framework

The curriculum is designed to move students through increasing levels of professional complexity and community integration.

The Attachment Types

Program	Type	Duration	Context
RAWE	Rural Immersion	2 Months	Village-level living and resource mapping.
AIA	Industrial	2 Months	Exposure to agro-industries and ICAR research institutes.
LOA	Organizational	2 Months	Professional placement in 23 diverse NGOs and Govt. bodies.

c) Field Activities:

Students have covered a vast geographical footprint within Jharkhand, ensuring the research and learning are grounded in the specific socio-economic conditions of the Chotanagpur Plateau.

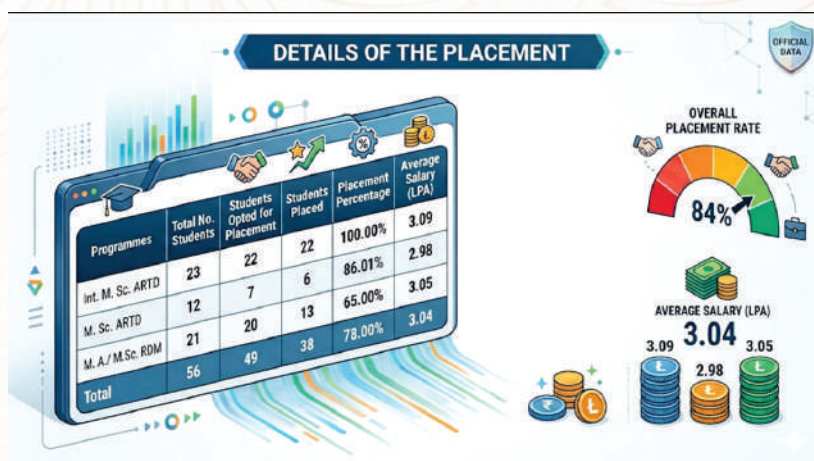

- The Village Cluster: Intensive study of 11+ villages (e.g., Dublabera, Hesalpiri, Tirlakocha) provides a longitudinal data set on rural problems and resources.
- Institutional Network: Engagement with centers like CTTTRI (Nagri) and IINRG (Namkom) ensures students are familiar with specialized Jharkhand-specific commodities like Tasar silk and Lac.

d) Youth & Leadership Development:

During the reporting period, research scholars actively participated in three village-level youth conventions conducted on 29.11.2024, 03.12.24 and 10.12.2024 at Sursu village, Angara, Sakarpur, Lapung and Geswe village, Burmu respectively organized by Ramakrishna Mission Ashrama, Ranchi. PhD students helped with registration, cultural events, and delivering speeches about Swami Vivekananda. The programme was a grand success, and it provided the scholars with an excellent learning opportunity.

5. Placement Report – 2025:

During the Campus Placement Program, 2025 different organizations have been invited for placement of students. Among them, Tata Steel Foundation, Jamshedpur (JH), Sarojini Damodaran Foundation, Bengaluru, HUMBLE BEE, Buzzworthy Ventures, Bengaluru (KR), Gramashri Foundation Trust, Udaipur (RJ), Nidhi Samridhi Foundation, Ranchi, Jaljeevika, Pune (MH), Jan Jagaran Kendra, Hazaribagh (JH), Hridhyam, Kolkata, ASA, Ranchi have completed their campus placement drives, resulting in the placement of our students. 85% students including both ARTD and RDM got placement through campus selection. The organisation's average pay package ranges from Rs. 25000 to 35000 per month, excluding other allowances. In collaboration with Divyayan Krishi Vigyan Kendra, the ARTD faculty center organised regional and central Kisan Melas, in which students and staff from the faculty centre actively participated.

6. Admission Details of 2025-26:

Sl. No.	Programme	No. of Students
1	Int. MSc in Agriculture, Rural & Tribal Development	44
2	MA/MSc in Rural Development & Management	27
3	MSc in Agriculture, Rural & Tribal Development	31
4	BSc (Hons.) Agriculture	47
5	B. Voc. in Sustainable Agriculture (BVSA)	26
Total		175

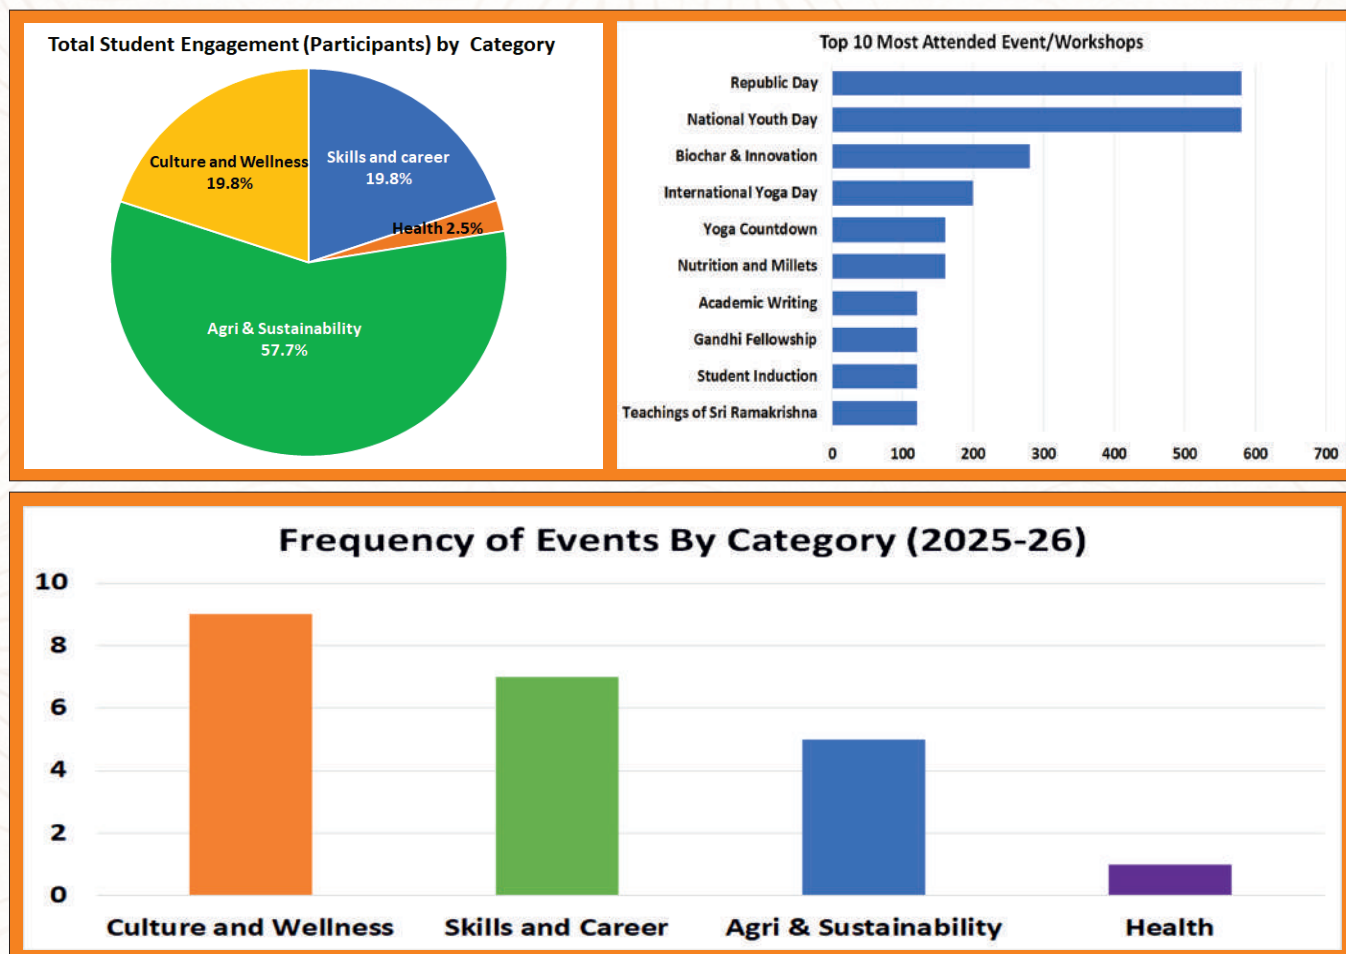

7. Special Lectures/Workshops/Seminars etc.

The following graphs provide a summary of the extracurricular and academic events held at the faculty centre during the 2025–2026 session.

Event Summary & Impact Analysis

- Strategic Focus:** The largest number of events falls under Culture & Wellness (including heritage and yoga) and Skills & Career development. This demonstrates the institute's dual commitment to "Man-making" and professional readiness.
- High-Impact Events:** The National Youth Day and Republic Day celebrations see the highest participation (entire student body), while technical sessions like Biochar & Rural Innovation and International Yoga Day also draw significant crowds (200–280 students).
- Thematic Distribution:**
 - Culture & Wellness:** Dominates total engagement (57.2%) due to large-scale campus-wide celebrations and spiritual heritage programs.
 - Skills & Career:** Focuses on employability, AI, and digital literacy, ensuring students are ready for

the modern workforce.

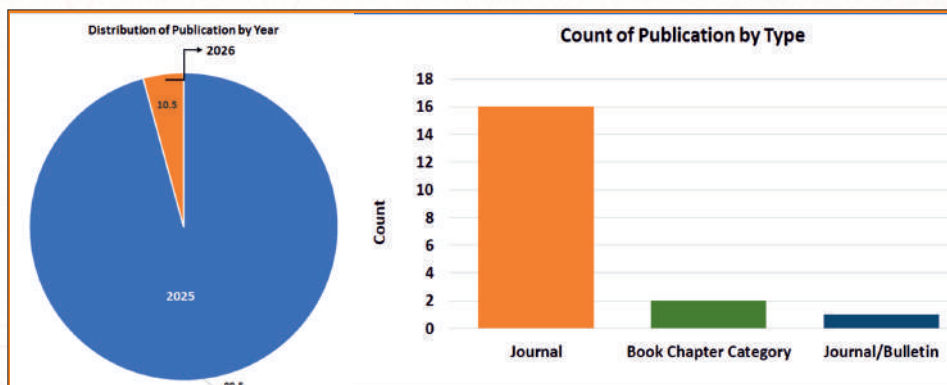

The charts visualise a well-rounded academic calendar that moves beyond the classroom to provide holistic development in Ranchi's unique rural and tribal context.

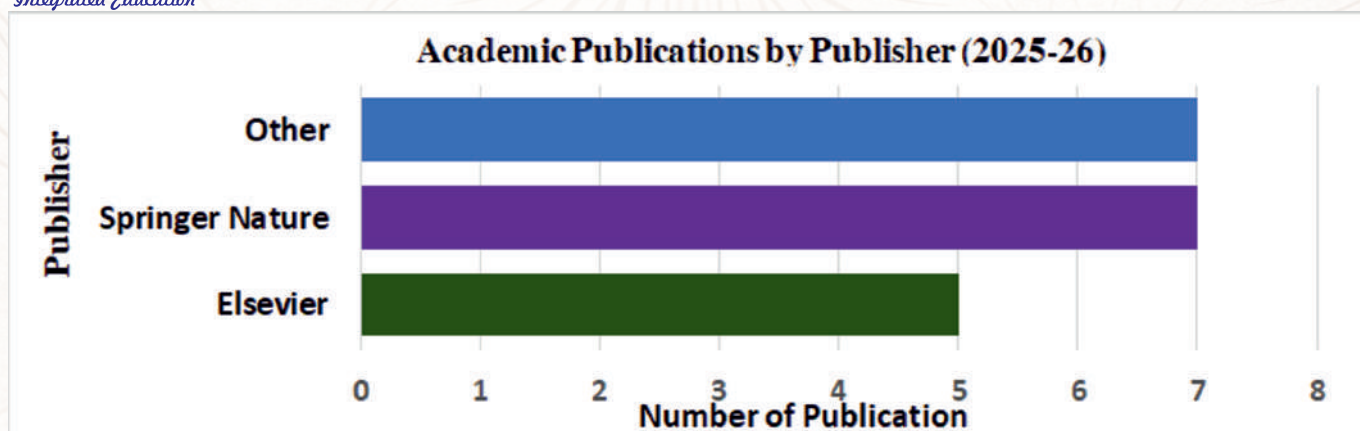

8. Annual Sports 2025

The Annual Sports was held from 12 March 2026 to 14 March 2026 on the RKMVERI Campus, Divyayan and Morabadi grounds. Both boys and girls actively participated in indoor and outdoor games. The sports organising committee undertook registration of participants for several events. The sports day saw not only students but also teaching and non-teaching staff of the institution gathered on the sports grounds. While students participated in large numbers, others were enthusiastic and excited to watch the events. The winners will be awarded medals and certificates based on their first, second, and third positions at the Annual Prize Distribution Ceremony during the Ashrama's Annual Function.

9. Publications (2025-26):

Based on the publication data for 2025–2026, here is a graphical analysis and summary of the research trends:

Summary

- Agricultural Innovation: A significant cluster of research focuses on "Conservation Agricultural Practices," "Weed Control," and "Seed Priming."
- Sustainability & Environment: Several high-impact papers address "Soil Security," "Planetary Health," and "Sustainable Agriculture (SDGs)."
- Social & Tribal Studies: Research also extends into "Rural Entrepreneurship," "Tribal Extractivism (Asur Tribe)," and "Social Work Education," reflecting the multidisciplinary nature of the faculty.

12. Externally funded research projects (2025-26)

The following are the list of ongoing/approved extramurally funded projects.

Sl. No.	Investigator (PI)	Name of the project & other details	Funding Agency	Funds (INR in lakhs)
1	PI- Dr. Dipankar Chatterjee Co PI- Dr. Deep Narayan Mukherjee (Submitted)	History, Culture and Livelihood of the Birhor Tribe of Eastern India: An Ethnographic Perspectives	Indian Council of Social Science Research, New Delhi	7.0 lakh
2	PI - Dr. Dipankar Chatterjee and Dr. Sudarsan Biswas (Submitted)	Ethnographic Study of Castes of Jharkhand – Pardhi and Lodha/Lodhi	Dr. Ramdayal Munda Tribal Welfare Research Institute, Govt. of Jharkhand	2.2 lakh
3	PI- Dr. Arunava Sengupta Co PI- Dr. Deep Narayan Mukherjee (Completed)	An Analytical Study of Tribal Students' Dropouts and Transition Rate in rural as well as urban schools	Dr. Ramdayal Munda Tribal Welfare Research Institute, Govt. of Jharkhand	4.80 lakhs
4	Dr. Sudarsan Biswas Dr. Rupak Goswami (Completed)	Impact of Natural Farming on Nutrition	Watershed Support Services and Activities Network (WASSAN), Hyderabad	3.0 lakh
5	Development of Maheshpur Farm, Angara, Jharkhand for training of integrated model organic/natural farming (Approved)	PM-RKVY for the State of Jharkhand	PI- Dr. Saikat Biswas	401.48 lakh

Ashrama Activities : Usual Worship and Spiritual Discourses

Daily service and worship of Bhagavan Sri Ramakrishna was conducted in the temple. Ramanam Sankirtan was conducted on every Ekadashi day, birthday of Swami Brahmananda and Ramanavami. Tithi puja (Birthday) of Sri Ramakrishna Dev, Holy Mother Sri Sarada Devi and Swami Vivekananda were celebrated with special puja, discourses by distinguished speakers, devotional music performances, and Prasad distribution to the large number of assembled devotees. Sri Ramakrishna birthday was also celebrated in the adopted villages of this Ashrama. Discourses in connection with birthdays of other Saints, religious leaders and celebrations like Saraswati Puja, Vishwarkarma Puja, Karma Festival and Christmas Eve were observed. Special puja on Maha Durgastami day was also performed and prasad was distributed.

Regular discourses on Sri Ramakrishna Kathamrita and Srimad Bhagavad Gita in the evening of every Saturday and Sunday respectively were conducted in the Ashrama by offline and online. Discourses were held regularly in other locations of the city. Rev. Secretary Maharaj and other monastic members on invitation attended the functions organized outside the Ashrama. A total of 104 discourses, meeting, Classes and lectures were held involving around 4110 participants.

National Youth Day Celebration

Ramakrishna Mission Ashrama, Morabadi, Ranchi organised a whole-day celebration of National Youth Day on 12 Jan 2026- the Birthday of Swami Vivekananda. The celebration was started by garlanding the statue of Swami Vivekananda in University campus followed by the chanting and flower offering by monks of Ashrama and other staff members of the University. A rally was also conducted after the garlanding.

A separate programme was conducted at Swami Vivekananda Sarovar, Ranchi where Garlanding of Swami Vivekananda Statue was done by Swami Bhaveshananda, Secretary of this Ashrama, Swami Antarananda, Asst. secretary of this Ashrama, Shri Manohar Lal Khattar, Minister of Housing and Urban Affairs of India; Shri Sanjay Seth, Minister of State for Defence ; Smt. Mahua Maji, Hon'ble M. P. and other dignitaries.

Different programmes were organized at Divyayan and different Akhandananda Shiksha & Sanskar Kendras by teachers, students and local people at different villages of Ranchi, Khunti and Ramgarh districts of Jharkhand.

In the evening, prize distribution ceremony for State Winners of Annual Competition 2025-26 was organized in Ashrama auditorium, where Sri Santosh Kumar Gangwar Hon'ble Governor of Jharkhand attended as the Chief Guest. Other dignitaries, School Children, Teachers & general public attended the programme. The programme was also made live through YouTube to all participants of Annual Competition.

About 3048 participants attended in different programmes organised at different places physically. Good press coverage was observed on the next day in almost all local newspapers of

Jharkhand. Out of a total of 3,048 participants, 1,668 participants hailed from rural areas, particularly from the Angara, Bero, Burmu, Tamar, and Murhu blocks. The programmes were predominantly organized in Akhandananda Shiksha Sanskar Kendras (ASSK) and Vivekananda Seva Sangha (VSS). These sessions were marked by enthusiasm and joy, reflecting the strong community spirit and active involvement of rural participants in the initiatives.

Annual Prize Distribution Programme - 2025

Block Level Cultural Competition

The primary objective of the cultural activities was to foster the artistic and expressive potential of students, providing a meaningful platform for budding artists and musicians. These initiatives aimed at encouraging personal development, self-realization, and the humanization of society, while also working toward the preservation and promotion of local art and culture.

The competitions included a vibrant array of events:

- Folk Song and Dance, Speech, Art and Drawing, Music, Skit Performances

A total of **four** Block-level competitions were conducted at:

- Angara, Burmu, and Bero Blocks under Ranchi District and Murhu Block under Khunti District held from 24 August to 02 September 2025, these programs celebrated local tribal heritage,

Programme at Vivekananda Sorava, Ranchi

Block Level Cultural Competition

nurtured cultural awareness, stimulated creativity, and fostered a spirit of brotherhood among tribal communities.

Across all events, **35** cultural groups with **1070** youths enthusiastically participated. Winning and runner-up teams were felicitated with prizes, shields, and musical instruments as tokens of appreciation for their talents and efforts.

Akhanda Ramcharit Manas Path: Akhanda Ramacharit Manas Path was organised on the occasion of Rama Navami from 12 to 13 April, 2025, 4PM for 24 hours. The path was started and concluded with special puja. Devotees and Volunteers actively participated in the programme. Children of GAP also actively participated in the said Ramacharit Manas Path. Around 200 people participated in the Programme.

Srimad Bhagwat Path: Srimad Bhagwat Katha Satsang was held from 6 to 10 September 2025 at Ashrama Auditorium by Swami Guneshananda ji Maharaj, Sri Ramakrishna Ashrama, Rajkot. He explained on the timeless teachings of the Bhagwatam, highlighting its message of devotion, righteousness, and harmony in life.

Over the five days, devotees and seekers gathered in large numbers to listen to the enlightening discourses, which blended scriptural wisdom with practical guidance for spiritual living. The satsang created an atmosphere of deep faith and inspiration, leaving participants enriched with the essence of bhakti and the ideals of Sri Ramakrishna and Swami Vivekananda.

The event witnessed enthusiastic participation from approximately 500 devotees, who experienced moments of deep reflection and spiritual elevation.

Bhakta Sammelan: Guru Purnima Day was celebrated on 10th July, 2025 in which Revered Swami Nirmalananda, Acharya, Maharshi Mehi Ashrama, Ranchi was the Chief Guest. Under this programme, a special spiritual retreat was conducted with full devotion and due solemnity. vedic chanting, hymns, devotional songs, reading

from the scriptures, Japam and meditation, discourse on Ramakrishna Katha Amrita was conducted for the participating devotees. It was attended by around **203** devotees.. Another two Bhakta Sammelan were organised on 16 Nov. 2025 and 08 March 2026. Average participation of devotees in all 3(Three) bhakta sammelan was around 250.

Sarva Dharma Sammelan : To commemorate the 134th anniversary of Swami Vivekananda's historic speech at the World Parliament of Religions, a Sarva Dharma Sammelan was organized at the Ashrama Auditorium on 11th September 2025. The theme of the Sammelan was: **"Harmony of Religion"**

Eminent speakers enriched the gathering with perspectives from different traditions:

- o Dr. Ratna Lalwani spoke on Jainism
- o Prof. Harvinder Singh spoke on Sikhism
- o Swami Antarananda spoke on Hinduism

Swami Guneshananda ji from Rajkot Ashrama offered insights from the Bhagavatam, connecting scriptural wisdom to the theme.

·The programme concluded with a beautiful skit presented by the students of RKMVERI, creatively portraying the message of religious harmony.

Commencement of Sri Ramakrishna Universal Temple Construction

On 2 November 2025, the construction work of the Sri Ramakrishna Universal Temple was formally inaugurated at the Ramakrishna Mission Ashrama, Morabadi, Ranchi. The Ashrama, established in 1927, required a new temple as the old structure had become dilapidated. Earlier, the Bhumi Puja for the temple was performed on 21 September 2019.

The auspicious commencement took place on Devotthan Ekadashi, coinciding with the birth anniversary of Swami Subodhananda ji Maharaj, a direct disciple of Sri Ramakrishna. The ceremony began with chanting from the Vedas, Upanishads, and the Gita, followed by Chandi Path, Vishnu

Sarvadharma Sammelan

Audience in Sarva Dharma Sammelan

Skit Presented by RKMVERI Students

Sahasranama recitation, devotional music, Nama Sankirtan, and Hanuman Chalisa. A formal foundation stone laying ceremony was also conducted.

Around 30 monks from Ranchi, Tupudana, Ahmedabad, Odisha, and West Bengal graced the occasion, turning it into a grand spiritual festival. The temple construction is estimated to cost Rs.10.00 crore, with devotees contributing generously. The proposed temple's architecture is expected to become a new spiritual and cultural landmark for Ranchi city.

After the ceremony, nearly 400 devotees partook of prasad at the Divyayan campus. On this sacred occasion, Swami Bhaveshananda ji Maharaj, Secretary of the Ashrama, praised the monks, devotees, architect Sri Sandeep Jha, and the dedicated technical team, remarking that "this temple will not only be a center of faith and devotion but also an inspiration for the revival of spiritual consciousness."

Puja and Celebrations

Karma Puja : On 3 September 2025, Karma Puja was celebrated at the Ashrama Auditorium with great pomp and joy. The programme was presided over by Swami Bhaveshananda ji, Secretary of the Ashrama, and the chief guest was noted social worker Sri Deepak Punuriyar.

Welcoming the gathering, Swami Antarananda ji highlighted that this festival of nature reflects the rich culture and history of tribal society, and teaches the importance of conserving natural resources for the well-being of society.

In his address, the chief guest emphasized that Karma Puja shows the path of leading life in society, and is a true expression of devotion to nature, duty, and brotherhood. The celebration created an atmosphere of cultural pride, harmony, and collective joy. Around 200 Students, trainees and monks participated in the puja and celebration

Annual Celebrations - 2025

The Annual Celebration 2025 of Ramakrishna Mission Ashrama, Morabadi, Ranchi, was held with immense spiritual fervor and cultural vibrancy over three days from 31st May to 2nd June. The event witnessed enthusiastic participation from devotees, students, faculty, guests, and well-wishers, encapsulating the ideals of Sri Ramakrishna, Holy Mother Sri Sarada Devi, and Swami Vivekananda.

Inaugural Ceremony

The celebration commenced with an inaugural session graced by Srimat Swami Satyadevananda Ji Maharaj, Secretary, Ramakrishna Math and Ramakrishna Mission, Mumbai. The session was further dignified by the presence of Swami Satsangananda, Secretary, Ramakrishna Mission T.B. Sanatorium, Tupudana, Ranchi, and Sri Suresh Narayan Jha, Member, Managing Committee, RKMA, Morabadi. The spirit of devotion and unity set the tone for the subsequent days.

Day 1 – Sri Ramakrishna Day (31st May 2025)

Theme: "Spiritual Renaissance in India and Sri Ramakrishna"

A public meeting was held, presided over by Swami Satyadevananda Ji Maharaj. Swami Satsangananda Ji delivered an insightful address on the day's theme. The evening unfolded with a soulful cultural programme performed by staff, students, and devotees, leaving a heartfelt impression on the audience.

Day 2 – Sri Maa Sarada Devi Day (1st June 2025)

Theme: "Role of Maa Sarada in Awakening of Indian Women". The public meeting was chaired by Swami Satyadevananda Ji Maharaj.

Eminent speakers included Dr. Devjani Roy, Nirmala College, Ranchi; Sri Sukumar Mukherjee, Convener, Bhavaprachar Parishad (Bihar & Jharkhand); Swami Antarananda ji Maharaj, Asst. Secretary, RKMA Morabadi

The event saw participation from over 200 attendees, including RKMVERI students, DIVYAYAN

trainees, and community members.

Morning Session Highlights:

Performances by Maa Sarada Mahila Samity and SAP students included: Geeta chanting, Naam Sankirtan, Songs, dances, skits, and yoga demonstrations

Chief Guest: Sri Sandip Kumar Kar, Executive Director, RDCIS, SAIL

Evening Session:

A captivating Bhajan Sandhya was rendered by Swami Shivadhisnananda, Narendrapur, creating an aura of divine melody.

Day 3 – Swami Vivekananda Day (2nd June 2025)

Theme: "World Guru India in the Light of Swami Vivekananda's Thoughts"

Morning Session:

Chief Guest: Sri Gopaljee Tiwari, Additional Secretary, Department of Agriculture, Animal Husbandry and Cooperative, Govt. of Jharkhand

Students of RKMVERI presented: Short speeches, skit on Swami Vivekananda's life, Songs and a traditional Nagpuri folk dance

Afternoon Session:

A Youth Awareness and Development Programme was organized, presided by Swami Satyadevananda Ji Maharaj.

Guest Speaker: Dr. Jeganathan Chockalingam, Vice Chancellor, Sarla Birla University, Ranchi.

Students contributed with thoughtful speeches and group songs.

Closing Highlight:

A mesmerizing Folk Song and Dance performance by artists from Nagpuri Art and Culture, Khunti provided a fitting cultural finale to the celebration.

Conclusion

The Annual Celebration 2025 successfully showcased the spiritual, educational, and cultural ethos of Ramakrishna Mission. With a blend of thought-provoking discourses and vibrant performances, the event reaffirmed the Mission's commitment to holistic human development and national awakening in the light of its guiding ideals.

H. Success Stories

Marginal to Marvelous: The Lac Success of Ranchi's Shivdhan Bhokta

Village: Nawagarh, Block: Angara, District: Ranchi

Introduction

Lac, a natural resin secreted by the insect *Kerria lacca*, thrives on host trees like palas (*Butea monosperma*), ber (*Zizyphus mauritiana*), kusum (*Schleichera oleosa*), and *Ficus* species. This eco-friendly resin, dye, and wax have long been part of rural livelihoods in Jharkhand. However, due to limited scientific knowledge, lac's potential remained underutilized. To address this, Divyayan Krishi Vigyan Kendra (KVK), Ranchi, through the ARYA (Attracting and Retaining Youth in Agriculture) project, began training farmers in modern lac cultivation techniques to boost income and sustainability.

The Journey of Shivdhan Bhokta

Shivdhan Bhokta, a 48-year-old marginal farmer from Nawagarh village in Angara Block, Ranchi, lived with his wife and two children. His livelihood depended on traditional farming of paddy, vegetables, and cereals across five acres. Though he practiced lac cultivation, his lack of scientific knowledge restricted him to just 1 quintal of lac annually, earning only Rs. 28,000.

In 2020, after attending Divyayan KVK's training on scientific lac cultivation, Shivdhan adopted improved practices. He focused on the Kusmi strain, cultivating lac on seven ber and three kusum trees. With support from KVK—brood lac supply, pruning tools, and plant protection equipment—he expanded his enterprise. Today, he manages 110 host plants, harvesting 3–5 quintals of stick lac annually. Selling at Rs. 550–850 per kg, his net income has soared to Rs. 4,55,000.

Impact factor	Before Intervention Th rough ARYA	After Intervention Th rough ARYA
Size of enterprises	Kusum Trees - 3 nos. Ber Trees – 7 nos.	Kusum Trees – 10 nos. Ber Trees – 105 nos.
Yield	1.1 q	5.2q
Cost of Production	Rs. 20000.00	Rs. 100000.00
Gross income	Rs. 48000.00	Rs. 550000.00
Net income	Rs. 28000.00	Rs. 455000.00

Conclusion

Shivdhan Bhokta's success story demonstrates how scientific interventions under the ARYA project can transform rural livelihoods. From a marginal farmer struggling with low returns, he has become a model lac entrepreneur in Ranchi. His journey highlights the potential of lac cultivation as a sustainable income source and inspires other farmers in Jharkhand to embrace modern practices for prosperity.

From Stone Crusher to Sustainability: Santosh Bedia's Natural Farming Model

Village: Rangamati, **Block:** Angara, **District:** Ranchi

Introduction

From operating a stone crusher factory to becoming a pioneer in natural farming, Santosh Bedia of Rangamati village, Ranchi exemplifies resilience and innovation. When his factory shut down, he turned to agriculture, reconnecting with his ancestral roots and transforming adversity into opportunity.

Entrepreneurial Skill Development

Recognizing his potential, Krishi Vigyan Kendra (KVK), Ranchi identified Santosh as a promising entrepreneur in natural farming. With training under the Out-scaling of Natural Farming through KVKs initiative in 2022, he mastered eco-friendly practices, value addition, and direct marketing. His passion for sustainability and innovation positioned him as a role model for others.

Journey into Natural Farming

Starting with a small plot, he cultivated watermelon, tomato, and broad bean, earning Rs.1,00,000 in his first season. Encouraged, he leased 4 acres of fertile land and diversified into vegetables like cucumber, brinjal, bitter gourd, and capsicum. His greenhouse cultivation alone yielded Rs.1.5 lakhs in one season.

Integrated Farming System

Santosh built a holistic model combining crops with dairy, goats, poultry, and fisheries. Using eco-friendly inputs like Jivamrit, Beejamrit, Dashparni Ark, and Bramhastra Ark, along with drip irrigation, mulching, and intercropping, he enhanced soil health and productivity. His innovative use of mustard cake with Jivamrit set him apart as a creative farmer blending tradition with modern science.

Economic Impact

Gross Returns: Rs. 6,10,000 annually Net Returns: Rs. 4,30,000 after expenses

Community Transformation

Santosh's influence extended beyond his farm. He converted six villages into 100% natural farming communities, involving 150 farmers, and inspired 510 farmers across 14 villages to adopt natural farming on 810 acres. Over 2,500 farmers individually embraced his model, proving its replicability and impact.

Conclusion

Santosh Bedia's journey from a factory owner to a pioneering natural farmer exemplifies how adversity can spark innovation. By integrating sustainable practices with entrepreneurial vision, he not only rebuilt his livelihood but also transformed entire communities. His story stands as a beacon of hope, proving that natural farming is not just viable—it is profitable, replicable, and deeply impactful.

Name of Entrepreneur: Rupa Kumari Binha
Address: Rarha Balwapani,
 Kanke, Ranchi
Age: 26
Educational Qualification: M.A.

Background

Rupa Kumari Binha, a young woman from Kanke block, Ranchi, was engaged in traditional farming activities including paddy and vegetable cultivation. Alongside, she maintained a small goatery unit of 35 goats, earning an annual income of about Rs. 97,200 from goat farming and an additional Rs. 30,000 from crops. Limited technical knowledge and resource constraints restricted her growth.

ARYA Intervention

Under the Attracting and Retaining Youth in Agriculture (ARYA) project, Rupa received intensive training in goat farming at KVK Ranchi. With technical guidance, regular follow-up, and scientific support, she adopted improved practices in breeding, feeding, housing, and health management. She also integrated goatery with crop farming, creating a more sustainable and profitable model.

Outcome

With ARYA's intervention, Rupa expanded her goatery unit to 58 goats, increasing yield and profitability. Her net income from goat farming alone rose to ₹1,47,000 annually, nearly doubling her earnings. Goatery has now become her primary source of livelihood, ensuring financial stability and empowering her as a successful youth entrepreneur.

Conclusion

Rupa Kumari Binha's journey highlights the transformative impact of ARYA in empowering rural youth, especially women. By turning goat farming into a profitable enterprise, she has set an inspiring example of how scientific training and integrated farming can uplift livelihoods and create sustainable rural prosperity.

L. Be a mentor of Akhandananda Shiksha Evam Sanskar Kendra

Be a partner in development of our nation. A developed nation is not only about few successful and wealthy people but it is the development and success of common mass. Swami Vivekananda has said **education is the only panacea of all evils. Education and an educated society are the backbones of a country where students are supreme assets.** Ramakrishna Mission Ashrama, Morabadi, Ranchi has been trying to bring the remote, rural, poor, tribal students to a level playing ground where they can study with students of urban area in famous and better schools through its **ASSKs** in different villages.

These ASSKs are not only providing coaching for admission test for better schools like Jawahar Navodaya Vidyalays, Eklaya Model Residential School, Kasturba Gandhi Residential School, Netarhat Residential School but it also impart value based education for integrated development of school going poor rural children. In addition to teaching on school curriculum, they are given opportunity and support to manifest their potential talents in Yoga, sports and other co-curricular activities, kitchen gardening, keeping campus clean and green etc. Other activities like celebrating different national & social programmes and different assignments to impart patriotism, respect their own culture are also being organised throughout the year.

This mentor scheme has been launched to give you an opportunity to play a role in nation building and development by helping the budding future citizen of the country through which a concrete and permanent development can be achieved. This also gives an opportunity to serve rural children.

A few important points for Mentors:

1. A Mentor can himself/herself select a **Akhandananda Shiksha Evam Sanskar Kendra** to adopt.
2. He or She may interact with the students & teachers time to time online/offline for monitoring their overall development.
3. He or She may implement his/her innovative idea for overall development of children with prior permission from the Ashrama.
4. A mentor will donate only **Rs 30,000/ (Thirty thousand) annually** to the Ashrama office along with a copy of Aadhar card & pan number. Donation receipt will make the person entitled for income tax rebate of 50% amount U/S 80 G.
5. The teacher of the Kendra adopted by the donor will receive Rs 2000/= per month for 12 months from Ashrama regularly.
6. Balance of Rs 6000/ (Six thousand) only will be utilised for miscellaneous expenses of the ASSK.
7. A mentor should be a respectable man / woman, above 18 years age, who has interest in child welfare & education.
8. Students & teachers of the adopted Kendra may also meet donor on mutually convenient date, time, and place. A family relationship is to be developed.
- 9. The effort of the mentor will be properly acknowledged through a display with his photo and name in the prominent place of the Kendra.**

M. An Appeal

This Ashrama was established in the year 1927 by Srimat Swami Vishuddhananda ji, the direct disciple of Holy Mother Sarada Devi, and the 8th President of Ramakrishna Order. In early sixties, when the adjoining districts to Ranchi were in the grip of severe drought, this Ashrama organized distress relief operation. During the relief work, it was strongly felt that unless the resource-poor and illiterate farmers are trained in need-based agricultural technology supported by group action, they would never be able to counter similar adverse conditions in future. In order to fulfill the above requirements a novel integrated rural development model was conceived and a free residential institute was launched by this centre in 1969 under the name 'Divyayan' for imparting training to village youths, particularly Tribals, in scientific agriculture, dairy, poultry, bee-keeping, horticulture, farm machinery, carpentry, welding, electrician, pump repairing, etc. and social service. The institute was recognized as Krishi Viyan Kendra in the year 1977. As a mark of appreciation for its objectives and method of imparting training right from its inception, it has been awarded as the best KVK amongst nearly 540 KVKs of the country for the year 1997-98 and as the best KVK in the Zone-IV for the year 2015-16. It has again received best KVK award for the year 2016-17, 2018-19 amongst nearly 650 KVKs of the country. It is not gainsaying the fact that Divyayan (meaning Divine Way) has become verily the temple for the worship of God in man.

The objectives of the training programme are to make the village youths self reliant and break free themselves from the shackles of poverty. After acquiring the skill, it is expected that they will be able to establish small enterprises related to agriculture and allied trades by using the available local resources. In this way, they will be employing themselves and may create jobs for others too.

The residential training programmes for the tribals, as mentioned above, are mainly sponsored by the Ministry of Tribal Welfare(MTW), Govt. of India (GOI) for 80 trainees per year. But the fund sanctioned and released by the MTW, GOI for these training programmes is too meagre to meet the expenses over the trainees' boarding and food, Salary for the Trainers, Administrative staffs, other employees and establishment. As such we solely depend on the donations from our benevolent donors to meet the essential extra expenditure to keep up this training programmes for the tribal. In addition to this, we need fund for celebration of Thakur, Maa and Swamiji's tithi pujas and several cultural and spiritual programmes organized through out the year.

In this context, we would like to appeal for liberal donations from the well wishers and philanthropists to join us to carry out this novel work for the redemption of poverty in villages.

Donation Can Be Through :

- i. Cheques / Demand Draft drawn in favour of Ramakrishna Mission Ashrama, Morabadi, Ranchi
- ii. RTGS/NEFT

Please note our Bank Details as given below :

A/c Name : Ramakrishna Mission Ashrama

A/c Type : Current

May the blessings of the Holy Trio Sri Ramakrishna, Sri Sri Sarada Devi and Swami Vivekananda be ever on you and your family is our prayer.

An Appeal for Construction of Universal Temple of Sri Ramakrishna

@ Ramakrishna Mission Ashrama

Morabadi, Ranchi, Jharkhand - 834008

Email: ranchi.morabadi@rkmm.org www.rkmmranchi.org

... a lasting tribute to centenary of service

Dear Devotees and Well-wishers,
Namaste.

Ramakrishna Mission Ashrama, Morabadi, founded in 1927, has been serving society for 100 years through Spiritual, Educational, Medical, Agricultural and Humanitarian services, inspired by the Motto of Swami Vivekananda, "आत्मनो मोक्षार्थं जगद्धिताय च" "For one's own salvation and for the welfare of the World".

As we approach our **Centenary (1927-2027)**, the old & small Temple became dilapidated over the years. Hence there emerges a necessity for a larger Temple to serve the growing number of Devotees and Well-wishers. To fulfill the need of the hour, a magnanimous task of constructing 'Universal Temple of Sri Ramakrishna' commenced on 02.11.2025, on the Tithi Puja of Srimat Swami Subodhananda Ji Maharaj.

Revised 3D Drawing of the upcoming new Temple

Key Highlights of the upcoming Temple

- This is a Navaratna Temple.
- Inspired by the Architectural traditions of Eastern India.
- 55 foot span Pillarless Prayer Hall (Size 26.64m X 17m).
- Ramp and Lift facilities along with easy treading steps.
- **The Temple will have 2 Floors with** a seating capacity of 1070 (550 + 520) persons, both floor together.
- The First Floor will provide a larger and peaceful space for meditation, worship, and spiritual gatherings.
- The Ground Floor, Vivekananda Cultural Hall, will support the diverse activities of the Ashrama.
- **The built-up area of G+1 Temple is around 20,000 Sq.ft.**

The estimated budget is about ₹10 crore.

- Donations are exempted from income tax under Section 80G of Income Tax Act.
- All the donations will be thankfully accepted and **acknowledged with a Money Receipt.**
- Devotees contributing ₹ 10,000/- & above will be presented with a certificate as Blessings of Sri Ramakrishna.
- Donors' Names or their Beloved's Name will be inscribed in the Temple Plaque for the donation of ₹ 1,00,000/- & above, And also will be honored with sacred Memento.

- **Donors from outside India are requested to send us an email for FCRA Bank Details.**

Please note: After sending online donations, the donors are requested to send us an email (ranchi.morabadi@rkmm.org) or a letter mentioning the details of Donor's Name, Address, PAN, Amount, Purpose, Mobile no. and email ID for our Accounting purpose.

Your contributions to this sacred endeavor, however small, will help to create a spiritual home for generations to come.

We invite you to be a part of this Mahayajna. Thanking you,

Yours in the service of the Lord
Swami Bhaveshananda

श्री रामकृष्ण के सार्वभौमिक मंदिर का निर्माण हेतु निवेदन रामकृष्ण मिशन आश्रम

मोराबादी, रांची, झारखंड.

Email: ranchi.morabadi@rkmm.org www.rkmmranchi.org

... सेवा की एक शताब्दी पूर्ण होने की स्मृति में

प्रिय भक्त एवं शुभचिन्तक वृन्द!
नमस्कार।

आपको विदित है कि 1927 में स्थापित यह आश्रम, स्वामी विवेकानन्द के आदर्श 'आत्मनो मोक्षार्थं जगद्धिताय च' – अपनी मुक्ति और जगत का कल्याण – से प्रेरित होकर लगभग 100 वर्षों से आध्यात्मिक, शैक्षिक, चिकित्सा, कृषि एवं मानव-सेवा कार्यों के द्वारा समाज की निरंतर सेवा करता चला आ रहा है।

हमलोग आश्रम-स्थापना की शताब्दी वर्ष 1927-2027 की ओर अग्रसर हो रहे हैं। हमारा प्राचीन मंदिर जर्जर हो चुका है और बढ़ती हुई भक्तों एवं शुभचिन्तकों की संख्या को देखते हुए सेवा हेतु एक नवीन तथा भव्य मंदिर की अत्यंत आवश्यकता का अनुभव किया जा रहा है।

अतः समय की इस आवश्यकता को पूर्ण करने के लिए दिनांक 02.12.2025 को श्रीमत् स्वामी सुबोधानंदजी महाराज की जन्म तिथि के पावन अवसर पर 'श्री रामकृष्ण के सार्वभौमिक मंदिर' के निर्माण का यह महान कार्य प्रारंभ किया गया है।

नए मंदिर की मुख्य विशेषताएँ

- यह एक नव-रत्न मंदिर है।
- इसकी प्रेरणा पूर्वी भारत की स्थापत्य परम्पराओं से ली गयी है।
- 55 फीट का विस्तृत, स्तम्भरहित प्रार्थना-कक्ष (आकार – 26.64m x 17m)।
- मंदिर दो मंजिला होगा। बैठने की क्षमता 1070 (550+520) होगी।
- पहली मंजिल (First Floor): ध्यान, पूजा और आध्यात्मिक चिन्तन हेतु।
- भूतल, विवेकानन्द सांस्कृतिक सभागार, आश्रम की विविध गतिविधियों हेतु।
- सुगमता से चढ़नेवाली सीढ़ियों के साथ रैम्प और लिफ्ट की सुविधा होगी।
- निर्माण का कुल क्षेत्रफल लगभग 20,000 वर्ग फुट (दो मंजिलें) होगा।

→ मंदिर का निर्माण में अनुमानित व्यय लगभग ₹10 करोड़ है।

- दान राशि आयकर अधिनियम की धारा 80G के अंतर्गत कर से मुक्त है।
- सभी दान कृतज्ञतापूर्वक स्वीकार किए जाएंगे और राशि प्राप्ति रसीद के साथ प्रमाणित किए जाएंगे।
- ₹10,000 या उससे अधिक दान करने वाले भक्तों को श्री श्री ठाकुर रामकृष्ण परमहंस जी के आशीर्वाद के रूप में एक प्रमाणपत्र प्रदान किया जाएगा।
- ₹1,00,000 या उससे अधिक के दान पर दाता या उनके परिजनों का नाम मंदिर के शिलालेख पर अंकित किया जाएगा, साथ ही उन्हें पवित्र स्मृति-चिह्न से सम्मानित किया जाएगा।

• भारत के बाहर विदेशी दान-दाताओं से निवेदन है कि वे हमें FCRA बैंक-विवरण हेतु ई-मेल करें।

कृपया ध्यान दें: दान-दाताओं से अनुरोध है कि वे ऑनलाइन दान देने के पश्चात् (हमारे लेखांकन विभाग हेतु) हमें, अपना नाम, पूरा पता, दान देने का उद्देश्य, पैन नं., मोबाइल नं., ईमेल आईडी लिखकर हमारे ई-मेल पर (ranchi.morabadi@rkmm.org) या पत्र द्वारा सूचित करें।

इस महायज्ञ में सम्मिलित होने हेतु हम आपको आमंत्रित करते हैं। धन्यवाद।

प्रभु की सेवा में
स्वामी भवेशानंद
