This Ashrama has been rendering health care service through a Charitable Dispensary and Mobile Dispensary. Both the units have a pool of 12 specialist doctors of various ailment areas like cardiology, gynaecology, pediatrics, skin and VD, orthopaedics, ophthalmology, dentistry etc, who offer their honorary services on regular basis.

i. Charitable Dispensary

The Charitable Dispensary, established in the Ashrama campus, mainly caters to the needs of the poor and other needy people of Ranchi city. A good number of latest equipments like ECG machine, Suction machine(ENT), Dental Chair, Computerized Refraction machines etc. have been installed for better diagnosis of the patients.

Performance of Charitable Dispensary

Unit	No of Patients Treated
Homeopathic	832
Consultancy (Allopathy)	5305
Specialist Service	3878

Homeopathic Service

Patients are waiting for their turn

ii. Mobile Dispensary (Partially sponsored by Ministry of Tribal Affairs, Govt. of India)

It runs through the remote villages of Ranchi district to provide health care service to the villagers. Weekly and special medical camps are organised through this unit. During the year 2023-24 the villages covered under the weekly medical camps programme mainly belonged to Angara and Burmu Blocks of Ranchi and Karra Block of Khunti District as given below.

Angara Block:

In all 10736 patients were treated by this unit and the patients were provided with medicines free of cost. Besides the medical treatment, health education and awareness programme among the villagers were also conducted as before.

Special Medical Camp

Free Medicine Distribution

Weekly Medical Camp

Patients waiting for their turn

Weekly Medical Camp

Free Distribution of Medicine

iii and iv. Naren Eye Care and Vivekananda Eye Camp Programme

This Ashrama, in collaboration with Blind Foundation for India, USA, has been executing Naren Eye Care (For Children) and Vivekananda Eye Camp Programme (Cataract detection and operation for adult) since 2010 for providing eye care service to the rural children and adult deprived of all types of medical facilities. Generally the headmasters of respective schools are contacted through our volunteers of Vivekandna Seva Sangh to fix the date of the camp. Then in the camp, eye check-up is done followed by a small awareness meeting on the "Proper Care of Eye". Once the children are identified with problem in eye sight they are provided with spectacles in the next camp. Children are also provided with medicines like vitamin-A, de-worming tablets, eye drop etc. The cataract operation camps are also organised for the elderly people. After the identification of cataract, proper medical tests are done before cataract surgery.

To execute this programme successfully, this Ashrama has a collaboration with Niramaya Hospital, Ranchi, which bore all the operation and post operation costs. The performance record of this programme is as given below :

Naren Eye Care (Children Eye Sight Programme) and Vivekananda Eye Camp (Cataract Identification/Operation Camp for Elderly People)

Total Number of Camps	-	82
Total Number of Villages	-	77
Total Number of patients covered under Cataract Identification Camp	-	2605
Total Number of Patients undergone cataract operation	-	37
No. of Children Covered	-	416
Distribution of Spectacles	-	10

After Cataract Surgery

Naren Eye Care and Vivekananda Eye Camp
